

PRINCECRAFT®

The More You Know The Better We Look

PONTOON & DECK BOATS 2005

BUILD A LIFETIME OF MEMORIES IN BOATS CRAFTED TO ENDURE FOR GENERATIONS

Every memorable moment in your life is made even more special when you can share it with someone close to you. And there's no better way than a pontoon and deck boat to share all the fun on the water that awaits your friends and family.

Yet, the quality of those moments depends entirely on the quality craftsmanship of your pontoon or deck boat.

That's why Princecraft's legendary passion for building great boats demands that every part and every application in every boat has been time-tested to provide you with optimum comfort, performance and durability.

Compare brands very carefully and you'll agree Princecraft pontoon and deck boats reflect the best engineering and construction you'll find anywhere. But most importantly, consider which brand you'll trust with some of the best memories of your life.

THE ADVANTAGES OF PRINCECRAFT DECK BOATS

Wider hull for better
load capacity and stable ride

Integrated smooth looking side panels

Many options manufactured
for each model and use

The best of both worlds: speed and comfort

BUILT USING 5052-H36 ALUMINUM ALLOY

- › We insist on H36 throughout our boats because we won't compromise durability
- › H36 is 25% harder than other aluminum used by some competitors
 - Provides uniform strength and a truer hull shape
 - Provides a better ride, more durability and lasting value

ALUMINUM BOATS ARE LIGHTER (FIBERGLASS IS 50% HEAVIER THAN ALUMINUM), AND ALUMINUM HULLS

- › Provide better performance from a smaller engine
- › Plane faster and stay on plane at slower speeds
- › Provide better fuel efficiency and easier trailering
- › Offer unsurpassed handling and performance
- › Require less maintenance than fiberglass
- › Can be beached on a rocky shore without chipping or cracking the hull
- › Are more durable, which is why they manufacture airplanes and semi-trucks from aluminum

SUPERIOR R&D

- › State-of-the-art CAD design
- › Exclusive three-step construction process combining:
 - Riveting
 - Welding and
 - Aircraft-grade adhesive
- › For unmatched combination of strength, durability and performance

DECK BOAT HULLS ARE DESIGNED TO PERFORM

- › Deep-vee hulls cut through water better with less pounding
- › Reverse-chine hull designs for performance-enhancing lift, efficiency and agility
- › Wider hulls for better load capacity and amazingly stable ride

CUSTOM-ENGINEERED OPTIONS TO OUR STANDARDS

- › Many options are manufactured specifically for each model and use
- › Trailers are custom-built to fit each deck boat model
- › Fasteners for canvas enclosures are factory installed on every boat for a precise fit (See page 43 for details)

UNMATCHED FIT AND FINISH

- › No other aluminum boat manufacturer can match our craftsmanship
- › Integrated, smooth-looking side panels
- › Compare the fit and finish of a Princecraft with any other boat
- › Inspect the hull sides and seams
- › Notice the quality of our welds and how we have no exposed wiring or gaps in the components
- › And if you can see sloppy seams and joints on our competitors' boats, imagine the level of quality in the parts you can't see

BUILT ESPECIALLY FOR MERCURY POWER

- › Provides optimum performance
- › Choose Mercury® two or four stroke, outboard or MerCruiser® sterndrive
- › Mercury Marine provides unmatched quality, reliability and power
- › New this year, Princecraft is a certified installer of Mercury MerCruiser Sterndrive engines
- Two-year limited warranty

BETTER VALUE AT RESALE TOO

- › You can easily recognize the quality and durability built into every Princecraft boat
- › So can any other prospective buyer should you ever decide to sell your boat
- › Unlike many other brands, a Princecraft offers excellent resale value for years to come

HASSLE-FREE BOATING EXPERIENCE

- › Quality through and through enhances every day on the water
- › We offer the best Protection Plan in the industry
- › It's your assurance our boats are built every bit as good as we say they are
- › Our Protection Plan covers everything from hulls to canvas enclosures (See the back cover for details)

ENJOY THE BEST OF BOTH WORLDS

- › The performance of a speed boat and
- › The comfort and room of a pontoon

2005 INDEX

Princecraft Pontoon & Deck Boats	2-3
Deck Boats	4-17

Why Buy Princecraft	50

DECKBOAT SERIES

Experience a unique brand of fun.

Princecraft deck boats are a special breed of vessel.

You can leave the shore behind with a breathtaking level of performance,
and yet everyone can comfortably come along for the ride.

No other deck boat can offer Princecraft's unprecedented balance of comfort
and performance. Our deck boats are much lighter than fiberglass, and our hull designs are
engineered from all the lessons we learned crafting high-performance
aluminum fish boats. So compare every feature in each Vacanza or Ventura model
and you'll agree. Of course, the most convincing thing you can do
is simply take the family for a ride.

PRINCECRAFT DECK BOAT EXCLUSIVE FEATURES

- › Innovative deeper-vee reverse-chine hull
- › Smooth side panels
- › Plush upholstery
- › Ergonomically designed helm station
- › Full-length sun deck**
- › Pop-up privacy enclosure*
- › Integrated swim platform(s) with ladders*
- › Large storage compartments
- › Full-length ski storage
- › Large built-in fuel system (189 L/50 U.S. gal.)
- › 4 quick-release bimini top latches
- › Anchor storage
- › Captain's chair with adjustable bolster*
- › Platform(s) with ladder
- › 20-ounce marine-grade carpet

* Vacanza models only

◀ A stern snack table allows you to easily entertain onboard.

For fishing enthusiasts, a livewell comes with electric-fill aeration, anti-spill cover, post-overflow and thru-hull drain systems. ▶

A comfortable captain's chair is ergonomically engineered to maximize sight lines and give you complete control. ▶

AMAZING HOW MORE SPACE CAN FILL THOSE HOLES IN YOUR LIFE

There are two ways you'll feel the magic of a Princecraft pontoon boat. One way is the extraordinary level of craftsmanship evidenced in every inch. Because you'll have many more great days onboard when your pontoon is flawless. And the other way is all the room and ultra-plush seating that allows the special people in your life to participate in the fun. Those are the moments we all live for. Who'd have guessed such happiness and fulfillment could be found at the end of your dock.

THE ADVANTAGES OF

LEGENDARY CRAFTSMANSHIP

- › Obsessive attention to detail
- › Every model is precision-assembled
- › Constructed to last decades
- › Built with 5052-H36, the best aluminum alloy

PERFORMANCE ENGINEERED

- › Better load capacity and amazingly stable ride
- › Full-length pontoon keel
 - Strengthens the pontoon tubes
 - Enables pontoons to carve through waves
 - Enhances maneuverability
 - Easier maintenance — less wear and tear
- › Heavy-duty V-keel at bow
 - Cuts through the water better
 - Protects the nose piece
- › Hydrodynamic V-shaped motor pod¹
 - Reduces water resistance
 - Eliminates "banging" of pontoons on water
 - Positions outboards at optimal running height

QUALITY THROUGH AND THROUGH

- › Premium hardware and components
- › Heavy-duty Z-bar cross members
 - Significantly increases structural integrity
 - Placed strategically throughout pontoon
- › Full-length deck risers¹
- › 3/4" pressure-treated decking
- › Up to 28-ounce marine-grade carpet
- › Bow eyes at front and back

THE BEST FIT AND FINISH

- › No other aluminum boat manufacturer can match our craftsmanship
- › Compare the fit and finish of a Princecraft with any other pontoon
- › Inspect the joints, welds, seams and stitching
- › No exposed wiring or cables
- › Princecraft has no gaps in the components
- › And if you can see sloppy seams and joints on our competitors' pontoons, imagine the level of quality in the parts you can't see

PRINCECRAFT PONTOON EXCLUSIVE FEATURES

- › Spacious floor plan
- › Extra-comfortable, plush-upholstered furniture
- › Ergonomically designed helm station
- › Fully lit instrumentation and electric horn
- › Walk-thru front gate
- › Marine-grade stereo
- › Color-coordinated bimini top
- › 4 quick-release bimini top latches*
- › Comfortable captain's chair

*Versailles models

UNPARALLELED COMFORT AND STYLE

- › Ergonomically designed around people
- › Helm offers complete control
 - All controls within easy reach
 - Fully lit instrumentation
 - Engineered sight lines
 - Plenty of leg room
- › Custom-made seats and lounges
- › Plush upholstery with thicker foam density
- › Wider bases and higher backs for added comfort
- › Sundecks, reclining chairs and chaise lounges
- › Floor plans maximize space
- › Ample storage space
- › Timeless colors and graphics

CUSTOM-ENGINEERED OPTIONS TO OUR STANDARDS

- › The latest amenities and options
- › Many options are manufactured specifically for each model and use
- › Trailers are custom-built
- › Fasteners for canvas enclosures are factory installed on every pontoon for a precise fit (See page 43 for details)

FIRST IN SAFETY

- › Air tight chamber tubes
- › Each pontoon log has several sealed chambers
- › Each chamber is pressure checked
- › Bulkheads also provide extra structural integrity
- › Lift-and-lock hinges on gates
- › Finger-pinch guard for kids
- › Boarding ladder with mini-platform²

HASSLE-FREE BOATING EXPERIENCE

- › Quality enhances every day on the water
- › We offer the best Protection Plan in the industry
- › It's your assurance our boats are built every bit as good as we say they are
- › Our Protection Plan covers everything from hulls to canvas enclosures (See the back cover for details)

1 Most models

2 Optional on Vectra and Sportfisher 18' & 20' models

1. Lifetime guarantee on pressure-treated decking
2. Marine-grade carpet
3. Hidden cables and wiring
4. Full-length keel
5. Full-length deck risers*
6. Air-tight pontoon chambers
7. Hydrodynamic V-shaped motor pod**
8. Heavy-duty Z-Bar cross members
9. Stainless-steel fasteners

* On most models

** **The hydrodynamic design of our V-shaped engine pod helps your pontoon cut through the water, eliminating the banging common to other designs. The motor pod is reinforced to accommodate larger engines and it keeps your outboard at the optimal running height for maximum performance.**

1. HEAVY-DUTY V-KEEL AT THE BOW

Our extruded aluminum "V" keel enables your pontoon to cut through the water better, enhancing performance and protecting the nose piece for years of durability.

2. Z-CHANNEL

Z-shaped deck supports are made of heavy-duty aluminum extrusions and placed strategically throughout your pontoon to support loads and add structural integrity.

3. PRESSURE TESTED CHAMBER TUBES

Each Princecraft pontoon log features several bulkhead chambers which are sealed air tight. Each chamber is pressure checked at the factory and designed so if a puncture occurs, water saturation would only affect one section. Bulkheads also provide extra structural integrity.

Luxury Family Pontoons

VERSAILLES SERIES

Only be limited by your imagination.

Versailles Series pontoon boats can be found precisely at the intersection of everything you've ever wanted and everything you've ever envisioned for yourself.

Offering unsurpassed amenities and comfort for all of your guests, there's no limit to the possibilities.

◀ Our super-plush chaise lounge provides plenty of underseat storage. (Vantage 20 L)

An optional privacy enclosure provides a quick and easy changing room in the middle of anywhere. ▶

A convenient storage pouch contains all those items that would otherwise move around the pontoon while underway. (Vantage 20 L) ▶

Family Fun

VECTRA SERIES

Even our longest Vectra pontoon brings families closer.

Vectra Series pontoon boats come in a variety of lengths and floor plans. But regardless of which model you choose to enhance your life — from the 161 L to the 241 L — you can be sure it will create a bond that helps your family feel more connected than ever.

VECTRA SERIES ADVANTAGES

- › Plush, comfortable upholstery
- › High-back captain's chair
- › 23" diameter logs (21" for Vectra 161 L)
- › Rear access gate*
- › Helm console with woodgrain insert
- › Fully lit instrumentation with electric horn
- › 50-watt AM/FM radio
- › Plenty of underseat storage
- › Roto-Cast lounge seat base with storage underneath (except Vectra 16)

A lockable rod storage compartment enables you to keep your rods right where you want them — on your fishing machine. ▶

CUSTOMIZED PONTON & DECKBOAT CANVAS

We build an extra promise into each Princecraft pontoon or deck boat that ownership will greatly enhance your enjoyment of life. And our custom-crafted canvas enclosures can help prepare you for any weather and significantly extend your boating season.

Every pontoon and deck boat is fitted with fasteners for canvas tops at the factory.

By using the same precise specs to position the fasteners on every model, your top fits perfectly at every snap. And custom-fit mooring covers available on all models keep rain and dew outside and everything dry inside.

PRINCECRAFT CANVAS IS BETTER¹

- Only the most durable marine-tested fabric is used
- Additional clear acrylic coating is applied to back side of fabric to repel water
- Every canvas enclosure crafted to Princecraft's standard of quality
- Color-coordinated to your boat²
- Optional traveling struts available to further wear or damage of your top while trailering

ADVANTAGES OF PRINCECRAFT POLYESTER FABRIC

- Superior strength and tear resistance over solution-dyed acrylic marine fabrics
- Much higher degree of water repellence
- Significantly greater dimensional stability
- Vastly superior abrasion resistance

FULL CAMPER ENCLOSURE^{1, 2}

- Full-length sun shade
- Add front, side and aft curtains for enclosed shelter
- Stows easily when not in use
- Easy to assemble

HALF-CAMPER ENCLOSURE^{1, 2}

- Protects the whole pontoon from the elements
- Provides access to the mid-ship area
- Allows operation of the boat in foul weather
- Can also be used as a mooring cover
- Easy to assemble

QUICK-RELEASE BIMINI LATCHES³

- Four quick-release bimini top latches come standard
- Lower the top to go under bridges or while trailering
 - Offers better fuel economy
 - Helps protect the canvas from wear or damage

WARRANTY¹

- Princecraft canvas comes with a 5-year limited warranty against excessive loss of color or strength under normal exposure conditions, including sunlight, rot, mildew and atmospheric chemicals

¹ Remember to refer to your *Owner's Manual* for information concerning carbon monoxide and the use of canvas.

² Available on select models

³ On Versailles pontoons and all deck boat models

◀ Quick-release latches³

PONTOON & DECK BOAT TRAILERS

At Princecraft, the same obsession with perfection you see in every one of our boats is on display in our trailers as well.

Because we believe your trailer contributes to the fun your family will share. And so we never treat trailers as an afterthought.

PONTOON TRAILERS

Tandem-axle, galvanized, bunk-style trailers

- Galvanized, with brakes included standard
- Greater load capacity than most other styles
- Ideal for long-distance trailering
- Makes launching your pontoon more convenient and reliable
- Available in four sizes
 - For 20-22 ft. models, 96-in. wide
 - For 24 ft. models, 96-in wide
 - For 20-22 ft. models, 102-in. wide*
 - For 24-26 ft. models, 102-in wide*
- Optional motor support available for extensive trailering and to protect engine pod and tubes

* A three-log conversion kit must be installed for triple-log pontoon model

Tandem-axle, galvanized, scissor-lift trailers

- Makes launching between seasons easier
- Specially engineered to pick up pontoon in water or at ground level
- Available in two tandem-axle sizes
 - 2800-lb. capacity for 20-22 ft. models
 - 3500-lb. capacity for 24-26 ft. models
- With brakes standard for the 3500-lb. model

Single-axle, painted, bunk-style trailers

- Available with 18 and 20-foot Vectra models and Sportfisher 18-foot model
- Painted, bunk-style
- Single axle standard

What exhilaration looks like in a pontoon boat?

PONTOON PERFORMANCE PACKAGE

Every Princecraft pontoon boat offers surprising performance. But our Performance Package is the equivalent of a turbo-charged pontoon. You get all the space advantages available in a pontoon with all the legendary performance attributes of our deck boats.

THREE TUBES

A third pontoon log improves the stability and performance and greatly increases the load and power capacities.

UNDER-DECK SPRAY SHIELD

An under-deck spray shield provides a smoother ride by preventing waves from hitting the cross channels.

LIFTING STRAKES

Lifting strakes optimize performance by lifting the boat on plane and significantly reducing the surface area of the pontoon logs in the water, especially at higher speeds.

OPTIONAL PERFORMANCE PACKAGE	APPROX. WEIGHT	MAX. H.P. CAP.*	MAX. WEIGHT CAP.*	MAX. PERSON CAP.*	MAX. WEIGHT PERSON CAP.*

IS IT A MERE COINCIDENCE PRINCECRAFT OWNERS SEEM TO HAVE THE BIGGEST SMILE?

Out on the water, around the ramp, at the dock, it seems Princecraft owners are really enjoying life. It may be a coincidence, but we believe it has a lot to do with how well crafted their pontoon or deck boat may be. Our boats are designed to make your experiences on the water better, and ultimately help make life more fun.

Get in Princecraft and test-drive your biggest smile today.

Princecraft factory-packaged boats are available with various horsepower Mercury® outboards or Mercury MerCruiser® Inboard/Outboard engines.

A BOAT LIKE NO OTHER. A WARRANTY LIKE NO OTHER.

ALL PRINCECRAFT BOATS OFFER:

- › **Limited lifetime coverage** against defects in material or workmanship for all main riveted/welded hull seams defined as hull sides to bottom chine, transom to hull sides and to bottom, all pontoon main seam welds including pontoon assembly, deck risers, railings and motor mounts.*
- › **10-years coverage** on all other deck boat hull aluminum components for defects and material or workmanship.
- › **1-year coverage** on component parts manufactured or installed by Princecraft as well as those not manufactured by Princecraft — gauges, dash panels, steering components, hardware, pumps, windshields, fuel tanks, etc.
- › **Limited lifetime coverage** to replace any wood floor parts and a period of 5 years for labor.
- › Carpet and vinyl upholstery warranted from failure due to excessive fading or defects in material or workmanship for **5 years**.
- › Canvas fabric warranted against excessive loss of color for **5 years**.

*Except for pontoons equipped with Performance Packages which are warranted for a period of 1 year.
