

Super Sport 162

Makes spending a day
on the water
child's play

Letting the (kids)
do their own thing
can be tough when it
involves a boat.

Which is why our new Super Sport 162 is tough to beat. Built on a stable, 16-foot reverse-chine hull, it's a great basic runabout built for one thing...fun. It features two back-to-back seats, a carpeted bow deck with cushions, secure handles and a twin console design with a sporty walk-thru, wraparound windshield. And with power options up to 50 HP, it's plenty of power to bring kids fun, and parents peace of mind.

PRINCECRAFT®

The More You Know The Better We Look

1. Ergonomically designed helm station
2. Bow seat cushions for more seating versatility
3. Back-to-back seats for surprising comfort
