Pontoon and deck boats

2001 Edition

PRINCECRAFT

The Choice of Discriminating

Boaters for over 45 years

When you do

anything long enough, and with enough passion, you inevitably reach a point when you become the best at it. Such has been the road traveled by Princecraft. For over 45 years, we have combined cutting edge design, the finest materials and a tradition of old-fashioned craftsmanship to produce the finest line of aluminum fishing boats, pontoons and deck boats on the water. Uncompromising attention to detail, continuous product refinement and a refusal to compromise comfort, durability or performance is evident in every boat we make. From our top of the line Versailles pontoons and Vacanza deck boats to our smallest utility pontoon, each shares this commitment to being the best in its class and to delivering you the best experience each time you take to the water. We think this is why you'll find some of the most experienced and choosy pontoon and deck boat owners in a Princecraft boat, and why we confidently say, the more you know about aluminum pontoon and deck boats, the better we look.

Pontoon or Deck boat: A fun decision.

Now that you've decided to enjoy time on the water, you have a decision to make—do we need a pontoon or a deck boat? And that's good news, because pontoons and deck boats are both great ways to bring a group of people together for a day on the water. The better news is, Princecraft gives you plenty of choices and would be happy to help you choose. No matter which you choose, you've definitely come to the right place.

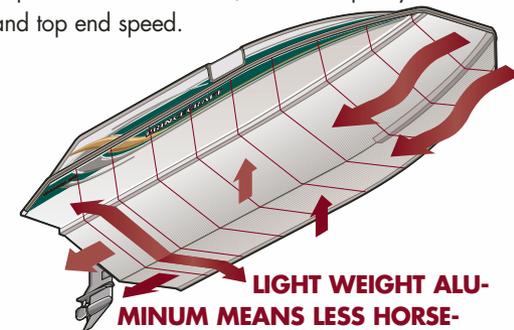

Some things to consider: For leisurely rides around a lake with friends, cruising a river with family or even a romantic sunset meal aboard, nothing gives you more pure relaxation and room to enjoy than a pontoon boat. They're easy to operate, economical to run and roomy enough to bring the whole family, and plenty of friends. They're perfect for everything from cruising to fishing to camping, a day at the beach, or just as an outdoor lounge tied up at the dock.

But, if you love the space, versatility and comfort of a pontoon, but want the speed and performance of a traditional runabout too, then you're one of a growing number of boaters who have discovered the unique benefits of a Princecraft deck boat. From more leisurely activities to full-throttle excitement like wakeboarding or waterskiing, nothing puts it all together quite like a deck boat. Maybe that's why they're one of the fastest growing classes of boats on the water today.

Why choose
Princecraft?
Here's 9 solid reasons:

INNOVATIVE PERFORMANCE

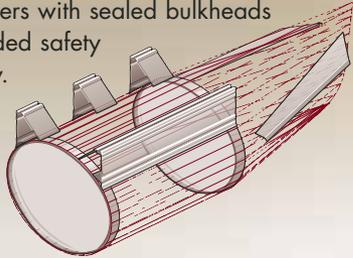

Princecraft has long been an innovator in aluminum hull design with a long list of innovations and firsts to our credit. We invented the square chine, and were one of the first aluminum boat companies to use a chine extrusion on our hulls. We pioneered the use of a three step assembly incorporating a combination of welding and riveting with special aircraft adhesives for maximum strength and good looks. This gives our boats a more rivet-free, finished looking hull side. And when it comes to performance on the water, our hulls hold the highest horsepower ratings and perform like nothing else in their class. Our pontoon boats are designed with larger diameter, round pontoon logs (23" & 25") to provide better flotation, load capacity and top end speed.

LIGHT WEIGHT ALUMINUM MEANS LESS HORSEPOWER FOR MORE PERFORMANCE

Princecraft's lightweight aluminum deck boat designs require less horsepower to achieve outstanding performance. This means you can choose more economical, low-horsepower outboards than with comparably-sized fiberglass boats. They are also easy to trailer even with a small or mid-size vehicle.

SAFETY The Princecraft Deck Boat Hull is designed with a wider bottom for greater load capacity, quicker planing, increased stability and more interior room and floor space. On our pontoon boats, special water-tight chambers with sealed bulkheads provide added safety and security.

COMFORT & CONVENIENCE

Ergonomically-designed helm stations give the driver increased leg room, more comfort and increased ease of operation by putting all controls within easy reach. Wider seat bases and higher seat backs give passengers more room and greater long-term comfort. Climb aboard a Princecraft pontoon or deck boat and you'll relax on some of the finest furniture you'll find on the water. Plush upholstery uses a premium grade marine vinyl and extended life foam designed to hold its shape longer—and resist flattening.

DURABLE CONSTRUCTION Princecraft uses H36 aluminum throughout the boat for uniform strength. H36 is up to 25% harder than the aluminum used by most other boat builders and creates a truer hull or pontoon shape that is smoother and less prone to flex. Rotocast furniture frames are lighter weight, exceptionally durable, and won't rot like traditional wood frames will.

HIGH RESALE VALUE Princecraft's reputation for quality, durable riveted construction and contemporary styling provides lasting appeal and higher resale values. Your pontoon or deck boat is worth more now and for years to come.

STYLE Rivet-free, reinforced side panels create a cleaner, more attractive boat. Integrated side panels and an integrated swim platform are exclusive to the Princecraft Vacanza models. These panels replace traditional fencing and give the boat a sleek, one-of-a-kind look. Pontoon boats feature full-length deck supports, well-appointed helm consoles and stylish graphics and furniture that makes a statement wherever your travels take you.

ALUMINUM MECHANICAL PROPERTIES

EXTENSIVE OPTION, ACCESSORY AND CANVAS CHOICES

allow you to customize your Princecraft boat however you like with all the right equipment.

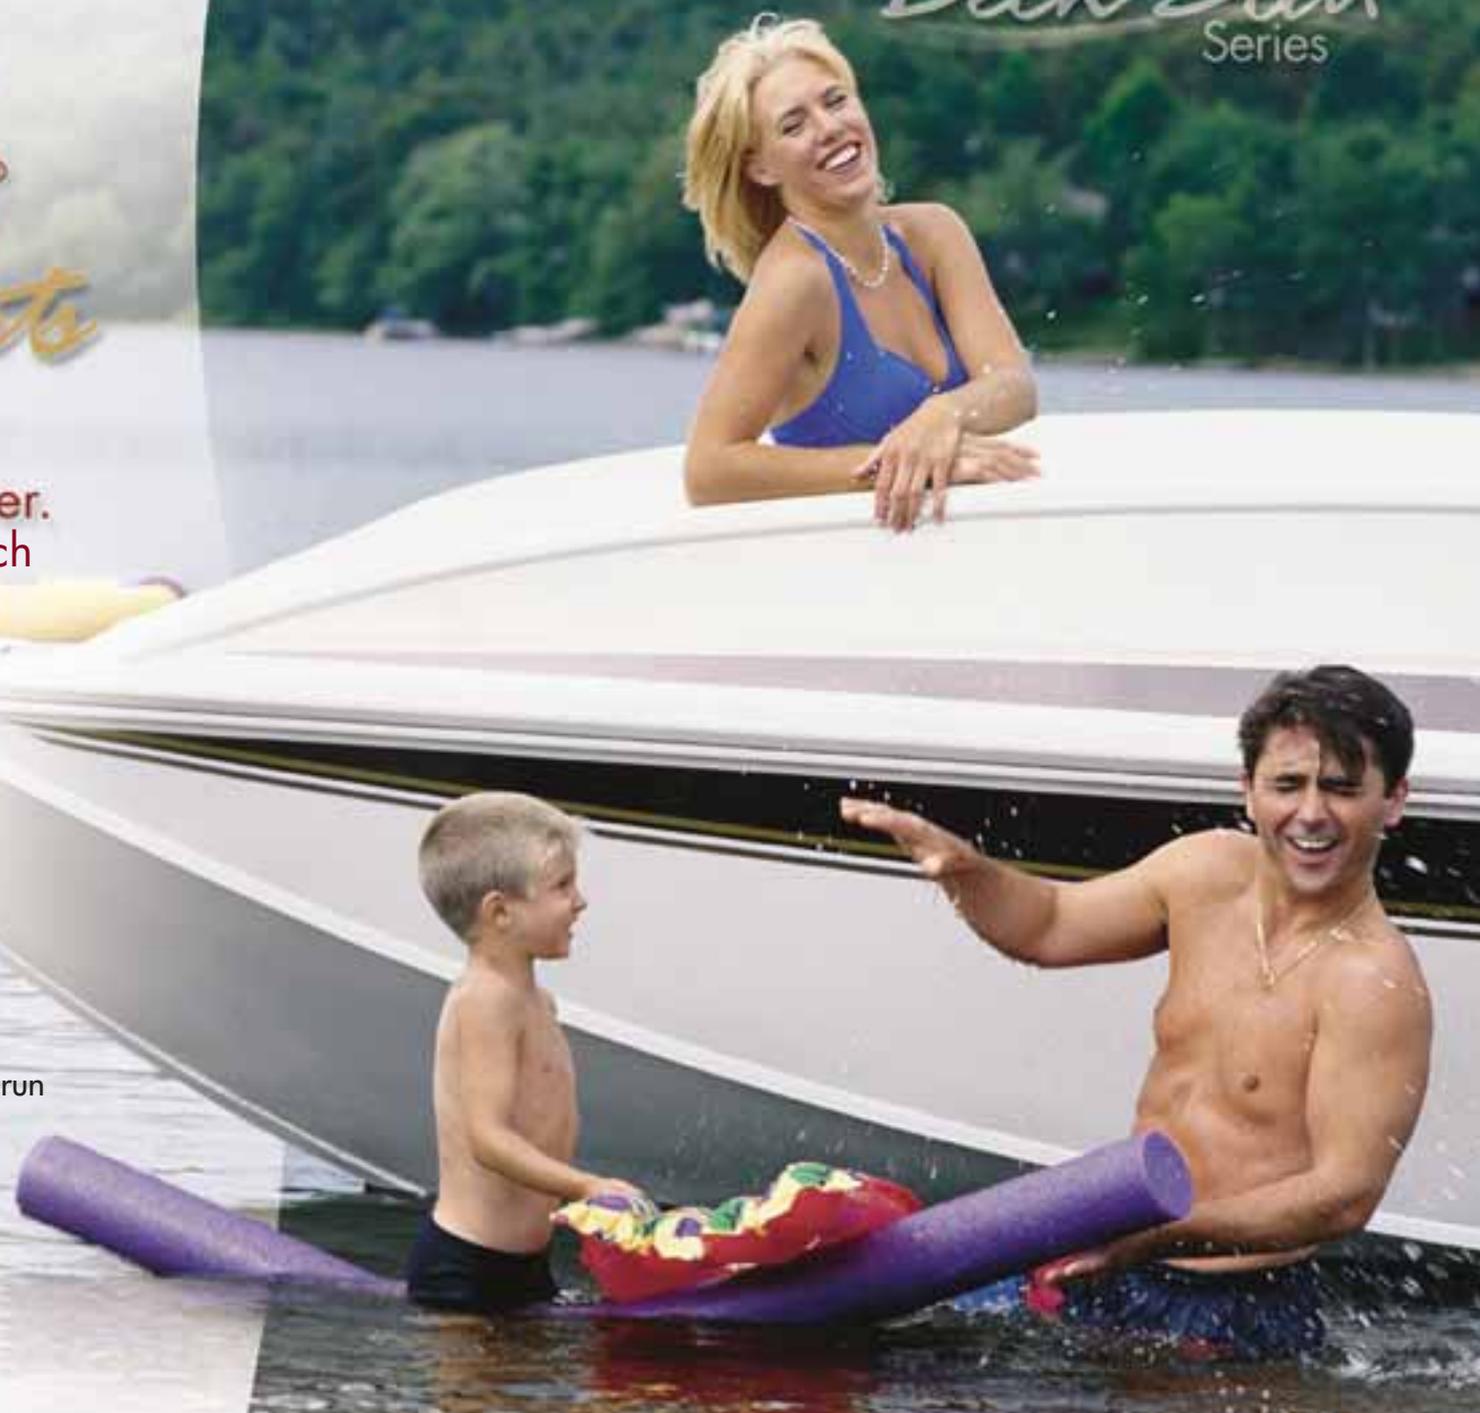

LIMITED WARRANTY The Princecraft Protection Plan is designed specifically for owners of our products. We understand your purchase is an expression of trust in us so we stand behind every boat we build. That means peace of mind from things like our 10-year main seam weld coverage on pontoon

boats, a 20-year main welded hull seam coverage on deck boats, and a host of other assurances that add lasting value to your Princecraft boat. It's our way of letting you know we'll be there when you need us—with experience, service and an unmatched commitment to customer satisfaction. Ask your Authorized Princecraft Dealer for complete details.

Deck Boat
Series

At full throttle
or fully relaxed,
Princecraft®
deck boats
perform
like no other.

From a day at the beach
to relaxing in the sun
with friends
or family,
a meal aboard or an
overnight camp out, these
are some of the most
versatile, user-friendly boats
you'll ever own. How do they run?
Here's a simple way to explain it:
Run a Princecraft deck boat, then run
other deck boats. You'll be back.

Vacanza™ Wake Xpress™

Introducing
a deck boat
that can turn
water into air.

Key Standard Features

(In addition to Vacanza 210's standard equipment)

- Custom Xpress graphics package
- Full featured fiberglass helm station with sport wheel and lighted switches
- Galley with sink and portable water tank
- Hydraulic steering system with tilt wheel
- Complete, fully-lit Faria® silver dome instruments including Pilot™ gauge and electric horn
- Stainless Steel wakeboard towing tower with suntop
- High performance square chine hull design
- Sportboat performance with less horsepower
- High back Captain's chair with sliding rails
- Plush, upholstered furniture with Rotocast seat bases
- Weather-protected 120-watt AM/FM marine stereo with CD player
- Pop-up privacy enclosure
- Integrated swim platform with boarding ladder
- 150 HP Evinrude® Ficht Ram Injection® outboard

Standard and Optional Equipment

Option This optional Clarion® AM/FM marine stereo with CD player and multi-color display delivers 180 total watts of power to four speakers. (upgrade exchange)

Option This optional removable privacy enclosure provides a handy changing room. When not needed, it can be quickly and easily stowed.

Option These optional side boarding gates provide convenient access from the water. (Available both sides on Ventura 190 and port side only on Ventura 191)

Option This optional pedestal-mount snack table - complete with drink holders - is great for dine-aboard meals, snacks or just a cold beverage. It is easily removed and stowed, too, for added convenience. (Available on all models except Ventura 191)

Option This stainless steel waterski tow bar is welded and bolted to the boat's main structure for maximum strength, durability and towing ability. (Available only on outboard-powered models)

Standard This standard boarding ladder and stern entry gate give easy access for swimmers and skiers. (Available on all Ventura models)

Option These optional bow sun cushions open easily to form a spacious bed or sun lounge. They also stow easily beneath the front seats when not in use. (Available on all models except Ventura 191)

Option This chemical marine toilet provides an added degree of convenience for those planning to overnight or spend a weekend camping aboard their Princecraft Vacanza. It comes complete with holding tank and pump out system.

Option These optional docking lights are perfect for early morning or late evening docking maneuvers.

for* **2001**

(Shown with port seating group and pedestal mount snack table... upgrade exchange)

Standard and Optional Equipment

Option These optional bow sun cushions open easily to form a spacious bed or sun lounge. They also stow easily beneath the front seats when not in use.

Option This chemical marine toilet provides an added degree of convenience for those planning to overnight or spend a weekend camping aboard their Princecraft® boat. It comes complete with holding tank and pump out system.

Standard This pop-up privacy enclosure on the Versailles 20 and 24 provides a handy changing room or head enclosure. When not needed, it can be quickly and easily stowed.

Standard This standard boarding ladder and stern entry gate give easy access for swimmers and skiers.

Standard This pop-up privacy enclosure on the Versailles 22 and 26 provides a large, conveniently-located changing room or head enclosure. When not needed, it can be quickly and easily stowed.

Option This optional pedestal-mount snack table—complete with drink holders—is great for dine-aboard meals, snacks or just a cold beverage. It is easily removed and stowed, too, for added convenience.

Option This optional Clarion® AM/FM marine stereo with CD player and multi-color display delivers 180 total watts of power to four speakers. (upgrade exchange)

Standard Tilt steering allows the driver to adjust the wheel to suit him/her, makes getting in and out of the helm station easier and allows the driver to steer while standing.

Having things
your way
never
seems
to happen
often
enough in life.

Compromise is constant. That's why it's nice to know that there is a pontoon boat out there that lets you have it your way. From the versatility to do just about anything you want to aboard, to giving you the equipment to do it. The Princecraft® Vantage pontoon delivers. With the longest list of optional equipment you'll find anywhere, you're free to customize your boat, your way. A nice change, don't you think?

Vantage 22 ST
Shown in Dark Mauve

When the
boat stops,
*The fun
really starts!*

Vantage 22 L
Shown in Everglade Green

New for
2001

Standard and Optional Equipment

Option These optional bow sun cushions open easily to form a spacious bed or sun lounge. They also stow easily beneath the front seats when not in use.

Option This optional pedestal-mount snack table—complete with drink holders—is great for dine-aboard meals, snacks or just a cold beverage. It is easily removed and stowed, too, for added convenience.

Standard The standard boarding ladder and stern entry gate give easy access for swimmers and skiers.

Option This optional BBQ grill makes a great addition to any Vantage and is great for preparing an on-board meal.

Option This chemical marine toilet provides an added degree of convenience for those planning to overnight or spend a weekend camping aboard their Princecraft boat. It comes complete with holding tank and pump out system.

Option These optional docking lights are perfect for early morning or late evening docking maneuvers.

Option This optional Clarion® AM/FM marine stereo with CD player and multi-color display delivers 180 total watts of power to four speakers (upgrade exchange).

Standard This standard 87 1/23 U.S. gallon fuel tank means longer days of fun on the water and fewer fill-ups.

Vectra™
Pontoon Series

Enjoying
the finer
things
in life
doesn't mean
you need a thick wallet.

In fact, some of life's
simple and most memorable
pleasures can be the time spent
aboard a pontoon with no particular
destination in mind. And,
sometimes, it is the destination.
Princecraft® Vectra pontoons are
designed for people who know you
don't always have to spend the most
to get the most. These are for you.

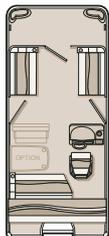

Vectra™

Key Standard Features

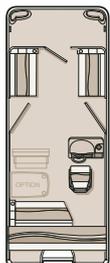

- Two seating arrangements
- 23-in. diameter pontoon logs
- Extra-wide (32-in.) side gates (20-foot models only)
- Deluxe molded helm station with sport wheel and glove box
- Complete, fully-lit instrument package and electric horn
- Captain's chair with Rotocast frame
- Thickly upholstered furniture with Rotocast seat bases
- Weather-protected AM/FM marine stereo cassette player
- Full width padded rear sundeck
- Color-coordinated bimini top

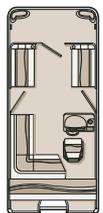

Standard Vectra models feature a molded helm console with windscreen, complete, fully-lit instrumentation, AM/FM stereo cassette, sport wheel, and glove box.

Vectra 201 ST
Shown in Islander Blue

Option This optional removable privacy enclosure provides a handy changing room. When not needed, it can be quickly and easily stowed.

Standard Vectra models feature a molded helm console with windscreen, complete, fully-lit instrumentation, AM/FM stereo cassette, sport wheel and glove box.

Standard and Optional Equipment

Option The optional boarding ladder and stern entry gate give easy access for swimmers and skiers. (Available on Vectra 181, 182 and 201 only)

Option This optional pedestal-mount snack table—complete with drink holders—is great for dine-aboard meals, snacks or just a cold beverage. It is easily removed and stowed, too, for added convenience.

Option All models are available with an optional 45 l/12 U.S. gallon built-in fuel tank, for longer days of fun on the water and fewer fill-ups.

Option This optional dinette table is great for enjoying everything from a cold drink to a quick meal, and has a handy reversible seat which doubles as a forward-facing passenger seat. (Available on Vectra 180, 181, 200 and 201)

Option This Lowrance® X-28 fish/depth finder is an available option on the Vectra 182.

Standard This 39 l/ 10 US gallon electric-fill aerated livewell with post overflow and thru-hull drain is standard on the Vectra 182.

Option This optional Clarion® AM/FM marine stereo with CD player and multi-color display delivers 180 total watts of power to four speakers. (upgrade exchange)

Boat/motor packages are available w/ Johnson® & Evinrude® outboard power.

In fishing,
as in life,
*there are
no
guarantees.*

No guarantee
you'll catch your limit,
or even get a nibble.
Which is why its nice to
know that, despite all this, you
can always improve your chances
when you head out in a
Princecraft® Sportfisher.

It combines the amenities and comfort
of a recreational pontoon with the fishability
of an honest-to-goodness fishing boat.
So, no matter if you're out for fish, or just out
to have a good time, it's not the boat's fault if
you don't go home smiling.

Sportfisher[™]
Pontoon Series

Sportfisher™

Standard Sportfisher 22 and 24 feature a fiberglass helm console with complete fully-lit instrumentation, electric horn, AM/FM stereo cassette, sport wheel, glove box and cooler.

Standard This standard pop-up privacy enclosure provides a large, conveniently-located changing room or head enclosure that does not block rear access. When not needed, it can be quickly and easily stowed

Key Standard Features

- 12V trolling motor plug and receptacle
- 26-in. (39 1/10 U.S. gallon) electric-fill aerated livewell with post overflow and thru-floor drain
- 7-foot lockable rod storage compartment
- 4 pedestal mount fishing seats
- 25-in. diameter pontoon logs
- Extra-wide (32-in.) side gate (port side)
- Fiberglass helm station with sport wheel, glove box and cooler
- Privacy enclosure—conveniently located
- Complete, fully-lit instrument package and electric horn
- Double wide Captain's chair with sliding rails
- Plush, upholstered furniture with Rotocast seat bases & backs
- Weather-protected AM/FM marine stereo cassette player
- Built-in fuel system (87 1/23 U.S. gallon)
- Color-coordinated bimini top

Sportfisher™

Key Standard Features

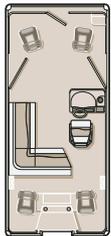

- 12V trolling motor plug and receptacle
- 26-in. (39 1/10 U.S. gallon) electric-fill aerated livewell with post overflow and thru-floor drain
- 4 pedestal mount fishing seats
- 23-in. diameter pontoon logs (Sportfisher 18)
- 25-in. diameter pontoon logs (Sportfisher 20)
- Extra-wide (32-in.) side gates
- Deluxe molded helm station with sport wheel and glove box
- Complete, fully-lit instrument package and electric horn
- Captain's chair with Rotocast frame
- Plush, upholstered furniture with Rotocast seat bases
- Weather-protected AM/FM marine stereo cassette player
- Color-coordinated bimini top

Option This optional half-camper enclosure keeps sun and rain out, yet allows plenty of room for fishing in the bow and stern. This option also includes covers for each of the four pedestal fishing seats.

Option This optional removable privacy enclosure provides a handy changing room. When not needed, it can be quickly and easily stowed.

Standard and Optional Equipment

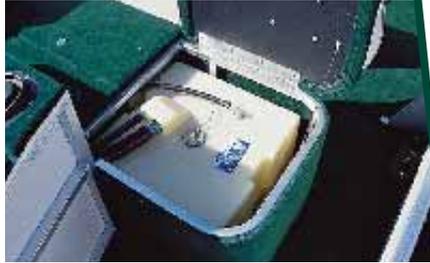

Option This optional four-step folding boarding ladder mounts to convenient fittings on either side of your boat for better access from the water.

Option This Lowrance® X-28 fish/depth finder is an available option on all Sportfisher models.

Standard This 39 I/10 US gallon electric-fill aerated livewell with post overflow and thru-floor drain is standard on all Sportfisher models.

Option The Sportfisher 20 is available with an optional 68 I/18 U.S. gallon built-in fuel tank, for longer days of fun on the water and fewer fill-ups.

Option This optional pedestal-mount snack table—complete with drink holders—is great for dine-aboard meals, snacks or just a cold beverage. It is easily removed and stowed, too, for added convenience.

Option Optional downrigger mounting brackets provide for clean, professional installation of downriggers.

Option This optional Clarion® AM/FM marine stereo with CD player and multi-color display delivers 180 total watts of power to four speakers (upgrade exchange).

Boat/motor packages are available w/ Johnson® & Evinrude® outboard power.

Custom Canvas? We've got you covered.

Multiple canvas options make customizing your Princecraft® boat easy. Every Princecraft boat is fitted with canvas fasteners at the factory. By using the same precise pattern to position fasteners on both boat and canvas, the canvas for your Princecraft is sure to fit—perfectly. Then, we offer a 5 year limited warranty, so there's never a hassle putting it up, taking it down, or getting it taken care of should you have a problem.

Protect your pontoon's upholstery and carpet from the elements with this custom fit mooring cover. Available for all models.

Half camper enclosures for pontoons protect the entire length of the deck area while allowing stand up room in the helm and aft lounge areas. Available on all pontoon models except Versailles 22 and 26, Sportfisher 22 and Vectra 182.

Full camper enclosures for pontoons keep the elements out and create a roomy campsite on the water for overnights and weekends and provide a full-length shelter from the elements. Available on all pontoon models except the Sportfisher 18 and 20.

Add this custom fit mooring cover to your deckboat to protect your upholstery and carpet from the elements when your boat is docked. Available for all models.

Half camper enclosures for deck boats protect the mid-ship area while allowing access to the bow and stern. Available on all deck boat models except Ventura 191.

Full camper enclosures for deck boats provide a full-length shelter from the elements and a roomy overnight area for camping. Available on all deck boat models except the Ventura 191.
