

**PRINCECRAFT®**

*The More You Know The Better We Look*

**PONTOON & DECK BOATS 2006**

Introducing our “New” and “Improved” 2006 models.

Who knew how much fun  
your family could be together

Once again this year Princecraft has set the industry standards for design and performance in pontoons and deck boats. Throughout our long history, we have pioneered innovations in styling, hull design, seating, durability and safety. One look at our new line-up and you'll see we haven't been resting on our laurels.

Building from the new generation of deck boats we introduced last year with the launch of the Vacanza 250V, we've now packaged most of those amenities and performance in a new Vacanza 220V. Plus, we're introducing the stylish redesign of the Ventura Series line of deck boats. A complete makeover to our Vantage and Sportfisher Series pontoons, with upgraded features and styling. And the addition to several outboard models of the super-quiet, crazy-fast Mercury® Verado™ four-stroke engine.

Yet, it's quite magical how any Princecraft pontoon or deck boat can dramatically enhance the experiences you're able to share with your family. Because every perfect day you spend together creates memories that last a lifetime. That's why Princecraft sweats every detail of your boat--offering unparalleled comfort, thrilling performance and flawless reliability. And however your family defines fun, Princecraft has a pontoon or deck boat that seems custom-made for you and the incomparable moments waiting to be yours.

So consider this a self-help book for the “New” and “Improved” you.

## 2006 INDEX

|   |          |

# VACANZA<sup>®</sup> SERIES

*The seamless  
blending of  
comfort and  
performance*

*With our Vacanza<sup>®</sup> Series deck boats, you don't have to choose between being comfortable or speed and handling. Crafted from lightweight aluminum instead of fiberglass, each model is designed to walk the line separating breathtaking performance and enduring luxury. Plus, everyone can go along for the ride with plenty of plush seating and more than enough storage for everybody's gear.*

**1** Storage for your stuff, storage for their stuff, storage for all the stuff and then some. **2** Aluminum is much lighter than fiberglass so you get easier trailering, better performance from a smaller engine and get better fuel efficiency. **3** The smart design of the Vacanza helm features optional fully lit Mercury Smartcraft™ instrumentation. **4** With ample seating for friends and family everybody rides in lavish comfort. **5** We haven't overlooked a single amenity. Such as a full-width rear platform with ladder, extra-large privacy enclosure, optional ski tow post and a galley.

*Color Options*

When you build deck boats as durable as Princecraft, styles must be designed to last decades. Vacanza Series deck boats are offered in four timeless color choices with matching interior upholstery. Plus, you also have the option to choose your favorite exterior color with a monochrome-beige interior. Yet, if you want to exhibit a more customized look, you can select from additional striping options.

### Ventura 190V L I/O

Shown in Sunset Orange with optional full-width rear swim platform

# VENTURA 190V L O/B & I/O

## COMFORT

- ▶ An abundance of interior space
- ▶ Ample, plush seating for everyone
- ▶ Chaise lounge in the bow
- ▶ AM/FM/CD player with four speakers

## PERFORMANCE

- ▶ Excellent speed and agility
- ▶ Lightweight aluminum gets on plane faster and stays on plane at lower speeds
- ▶ Light weight provides easier trailering and better performance from a smaller engine
- ▶ Available with the incredible performance of the Mercury Verado four-stroke outboard engine (190V L O/B)

## DESIGN

- ▶ Abundant storage throughout, ski compartment in-floor, anchor storage, floor cooler and underseat storage
- ▶ Inboard/outboard model can be equipped with full-width rear swim platform to facilitate all your watersports activities
- ▶ Includes stern access with a ladder
- ▶ Full-width stern sun deck
- ▶ Stern snack table
- ▶ Available with an optional heavy-load capacity custom trailer
- ▶ Plenty of options to personalize your boat including: full-camper enclosure, a privacy enclosure, waterski tow bar, bolster captain's chair, radio upgrades and chemical toilet

1

2

3

4

**1** Our captain's chair is designed to maximize sight lines for the driver. **2** An optional full-width rear swim platform for I/O model makes watersports easier than ever. **3** The optional waterski tow bar keeps the tow line away from the engine. **4** The ski storage compartment keeps the floor space accessible. **5** Optional flush-mounted halogen docking lights come in very handy for early morning or late evening docking maneuvers. **6** The helm console is complete with full instrumentation and AM/FM/CD player. **7** The anchor storage compartment is conveniently located in the bow and enables you to keep the anchor away from toes when not in use.

# VERSAILLES SERIES

*For many  
the water  
is therapeutic.  
In a Versailles  
pontoon it's  
life-changing.*

*Something wonderful happens  
when every part of your  
experience on the water comes  
together. It changes you,  
transforms you in ways everyone  
should feel. And this exuberant  
feeling is unsurpassed on a  
Versailles Series pontoon. Choose  
the perfect pontoon for you from  
14 different layouts, each an agile  
demonstration of our innovative  
styling and design. With more  
standard equipment than most  
pontoons in the category and our  
most luxurious, super-plush  
upholstery.*

**1** At 102-inches wide and 25-inch diameter pontoons, there's plenty of space and stability for the entire family. **2** Many extras standard, such as pinch-guard gates with lift-and-lock hinges, a privacy enclosure, 28-ounce carpet, halogen docking lights and floor mood lighting, stern ladder with handrail and platform. **3** Super plush, comfortable upholstery for hours of cruising. **4** Details like the full-length skirting, aesthetic nose piece, hydrodynamic motor pod, innovative railing design, and bumper highlight the unsurpassed fit and finish. **5** 200-watt Clarion marine AM/FM/CD player with 4 speakers. **6** The helm console is ergonomically designed around you and features a mahogany steering wheel.

*Versailles 26 SE*  
Shown in Mocha with optional bow table.

## Versailles 26 WK

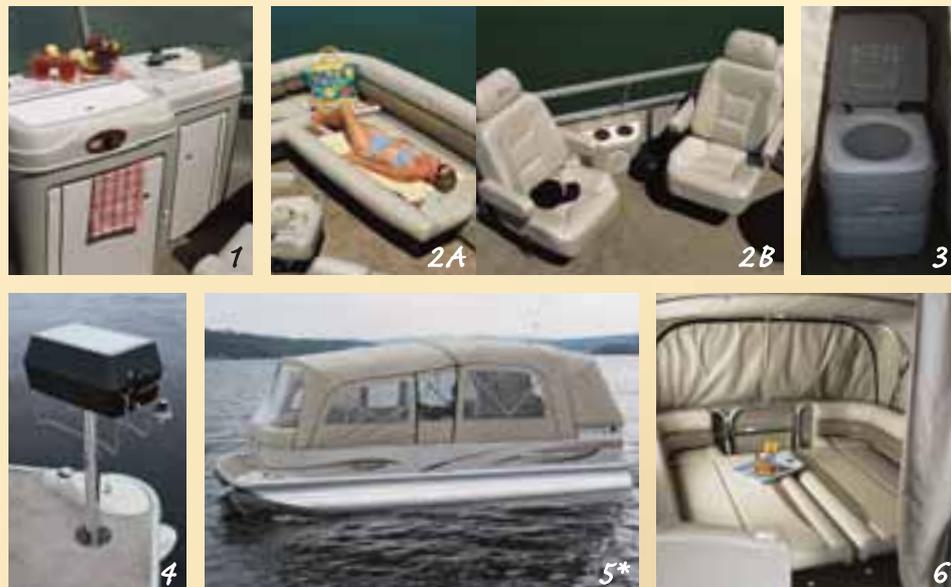

Shown in Sunset Orange with optional bow table with sliding top.

# VERSAILLES 26 SE & 26 WK

- COMFORT**
- ▶ A luxurious captain's chair with slide and swivel for the commodore
  - ▶ 200-watt AM/FM/CD player with 4 speakers
  - ▶ Large fiberglass rear galley with sink, faucet and portable water tank
  - ▶ Large, conveniently located privacy enclosure that can stay open even when the camper enclosure is up
  - ▶ Floor mood lighting
  - ▶ Enjoy the super-padded sun lounge at the bow of the Versailles 26 SE

- PERFORMANCE**
- ▶ 102" beam with 25" pontoon logs for a smooth, stable ride
  - ▶ Excellent load and power capacity
  - ▶ Responsive handling and maneuverability
  - ▶ Built specifically for Mercury dependability and reliability

- DESIGN**
- ▶ Unmatched fit and finish, features and amenities
  - ▶ Distinctive bow railing design and full-length skirting
  - ▶ Access from the sides and stern
  - ▶ Stern boarding ladder with handrail and platform
  - ▶ 10-foot bimini top
  - ▶ 28-ounce Infinity collection carpet
  - ▶ Cup holders
  - ▶ Plenty of options to personalize your boat including: an available third pontoon log to increase performance and load capacity, hydraulic steering, Sirius® satellite-compatible radio upgrade, chemical toilet, waterski tow bar, BBQ grill, full-camper enclosure, and the Versailles 26 WK features two bow lounges that can be upgraded to a pull-out bed.

**1** Large fiberglass galley with built-in cooler, cooler storage compartment, sink, faucet, portable water tank, courtesy light and 12-volt receptacle. **2** The spacious bow lounge section includes L-configuration bow furniture that opens into a plush sun lounge, and port-side seating group with two fully adjustable, swivelling reclining chairs. Both are standard on the port side in the Versailles 26 SE. **3** For convenience, you can choose an optional chemical toilet. **4** The optional BBQ makes grilling a snap. **5** An optional full-camper enclosure allows you to enjoy your Versailles day and night\*. **6** The optional privacy kit includes a curtain dividing the full enclosure into two rooms complete with curtains for each window. Add to this the optional pull-out bed and you're ready for a comfortable overnight (Versailles 26 WK).

# VERSAILLES

## 22 LPF, 20 LPF & 20 L

- COMFORT**
- ▶ Compare seating to every other pontoon in this class
  - ▶ So much plush seating your pontoon will host every party
  - ▶ Three chaise lounges so you're always ready for the sun (Versailles 22 LPF)
  - ▶ 200-watt AM/FM/CD player with 4 speakers
  - ▶ A captain's chair worthy of the captain
  - ▶ Full-width rear seat and sun deck (except 20 L)
  - ▶ The stern seat hides away the privacy enclosure (Versailles 22 LPF & 20 LPF)
  - ▶ Floor mood lighting

- PERFORMANCE**
- ▶ 102" beam with 25" pontoon logs for a smooth, stable ride
  - ▶ Responsive handling and maneuverability
  - ▶ Built specifically for Mercury dependability and reliability

- DESIGN**
- ▶ Unmatched fit and finish, features and amenities
  - ▶ Distinctive bow railing design and full-length skirting
  - ▶ Stern boarding ladder with handrail and platform
  - ▶ 28-ounce Infinity collection carpet
  - ▶ Cup holders
  - ▶ Choose from many options including: an available third pontoon log to increase performance and load capacity (22 LPF), hydraulic steering, Sirius® satellite-compatible radio upgrade, bow gate seat, chemical toilet (22 LPF, 20 LPF), waterski tow bar, BBQ grill, and full-camper enclosure

**1** A convenient privacy enclosure is located under the stern seat and can be popped up and stored easily (Versailles 20 LPF & 22 LPF). **2** A sturdy stern ladder makes it easy for anyone to climb aboard. **3** Imagine the gentle rocking of the waves as you relax on the inclined chaise lounge (Versailles 22 LPF). **4** Full-width rear seating allows you to get as cozy and comfortable as you wish (Versailles 20 LPF & 22 LPF).

# VANTAGE<sup>®</sup> SERIES

*Your Vantage  
pontoon  
has been  
redesigned  
to contain all  
the fun.*

*With one look at our new  
Vantage Series pontoons you'll  
immediately notice some  
improvements. First a whole  
new fencing system was  
implemented so none of your  
good times would escape. Plus,  
there's new deck molding,  
thicker upholstery, a redesigned  
dash panel and graphics. "Wow"  
keeps coming to mind.*

**1** Vantage Series pontoons are so comfortable you may prefer your pontoon to your home. **2** AM/FM/CD player with 4 waterproof speakers. **3** If you're a watersports fanatics this is the boat for you. **4** The Captain chair and helm console are designed to make navigating comfortable and convenient. **5** Sleek styling gives Vantage Series pontoons an advanced look. Navigation lights are in a molded housing, deck molding is sleek with rubber bumpers and rounded corners (shown with optional halogen docking lights). **6** Choose the optional galley conversion and enjoy the ease and convenience of having an onboard sink with portable water tank.

# SPORTFISHER™ SERIES

## *Sportfisher 24 LP4S*

Shown in Mocha with optional rectangular bow table, Lowrance® X-47 fish/depth finder and galley conversion.

*Bad news  
for all fish:  
Sportfisher is  
now even more  
comfortable.*

*Our Sportfisher Series pontoons have always been so comfortable you could fish all day. But now each model has been redesigned to provide more all-day, all-night, fish-till-you-can't-fish-anymore comfort and amenities. It's yet another reason to celebrate being at the top of the food chain.*

### Sportfisher 22 LP4S

Shown in Islander Blue with optional Lowrance® X-47 fish/depth finder and halogen docking lights

# SPORTFISHER 24 LP4S & 22 LP4S

- COMFORT**
- ▶ A variety of seating options for all of your cruising and fishing companions
  - ▶ Features four redesigned fishing seats for hours of comfortable fishing
  - ▶ The Sportfisher 24 LP4S also features two lounges at the bow
  - ▶ A large privacy enclosure is included

- PERFORMANCE**
- ▶ The perfect pontoon for serious cruising and serious fishing
  - ▶ 25" pontoon logs for a stable ride
  - ▶ Responsive handling and maneuverability
  - ▶ Built specifically for Mercury dependability and reliability
  - ▶ Built-in fuel system
  - ▶ A 25" electric-fill aerated livewell with post-overflow, anti-spill cover and thru-floor drain system
  - ▶ Battery storage compartment

- DESIGN**
- ▶ The stern area was designed to allow easy access and plenty of room to move around, with a stern boarding ladder with handrail and platform
  - ▶ 12-volt bow trolling motor plug and receptacle
  - ▶ A lockable rod storage compartment keeps rods easily accessible
  - ▶ Plenty of options to personalize your boat including: hydraulic steering, upgraded radios, Lowrance X-47 fish/depth finder, full-camper enclosure, chemical toilet and a galley conversion on the Sportfisher 24 LP4S

# CUSTOMIZED CANVAS

We build an extra promise into each Princecraft pontoon or deck boat that ownership will greatly enhance your enjoyment of life. And our custom-crafted canvas enclosures can help prepare you for any weather and significantly extend your boating season. Every pontoon and deck boat is fitted with fasteners for canvas tops at the factory. By using the same precise specs to position the fasteners on every model, your top fits perfectly at every snap. And custom-fit mooring covers available on all models keep rain and dew outside and everything dry inside.

## DECK BOATS & PONTOONS

### PRINCECRAFT CANVAS IS BETTER<sup>1</sup>

- Only the most durable marine-tested fabric is used
- Additional clear acrylic coating is applied to back side of fabric to repel water
- Every canvas enclosure crafted to Princecraft's standard of quality
- Color-coordinated to your boat<sup>2</sup>
- Optional traveling struts available to further wear or damage of your top while trailering

### ADVANTAGES OF PRINCECRAFT POLYESTER FABRIC

- Superior strength and tear resistance over solution-dyed acrylic marine fabrics
- Much higher degree of water repellence
- Significantly greater dimensional stability
- Vastly superior abrasion resistance

### FULL-CAMPER ENCLOSURE<sup>1, 2</sup>

- Full-length sun shade
- Add front, side and aft curtains for enclosed shelter
- Stows easily when not in use
- Easy to assemble

### HALF-CAMPER ENCLOSURE<sup>1, 2</sup>

- Protects the whole pontoon or deck boat from the elements
- Provides access to the mid-ship area
- Allows operation of the boat in foul weather
- Can also be used as a mooring cover
- Easy to assemble

### QUICK-RELEASE BIMINI LATCHES<sup>3</sup>

- Four (deck boats) or six (pontoons) quick-release bimini top latches come standard<sup>3</sup>
- Lower the top to go under bridges or while trailering
  - Offers better fuel economy
  - Helps protect the canvas from wear or damage

### LIMITED WARRANTY<sup>1</sup>

Princecraft canvas comes with a 5-year limited warranty against excessive loss of color or strength under normal exposure conditions, including sunlight, rot, mildew and atmospheric chemicals

- 1 Remember to refer to your *Owner's Manual* for information concerning carbon monoxide and the use of canvas while boat is underway
- 2 Available on select models
- 3 On Versailles, Vantage, Sportfisher 22 & 24 pontoons and all deck boat models

\*See page 9 for details.

*Hang on for the thrills of a lifetime.*

Every Princecraft pontoon boat offers surprising performance. But our Performance Package is the equivalent of a turbo-charged pontoon. You get all the space advantages available in a pontoon with all the legendary performance attributes of our deck boats.

**THREE TUBES**

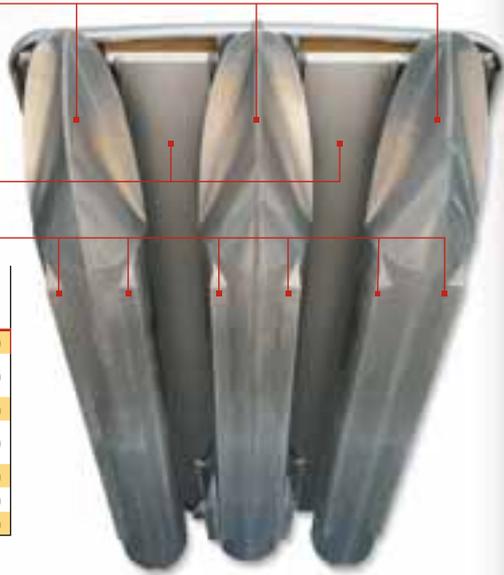

A third pontoon log improves the stability and performance, and greatly increases the load and power capacities.

**LIFTING STRAKES**

Lifting strakes optimize performance by lifting the boat on plane and significantly reducing the surface area of the pontoon logs in the water, especially at higher speeds.

**UNDER-DECK SPRAY SHIELD**

An under-deck spray shield provides a smoother ride by preventing waves from hitting the cross channels.

**OPTIONAL PERFORMANCE PACKAGE**

# DECK BOAT & PONTOON TRAILERS

*At Princecraft, the same obsession with perfection you see in every one of our boats is on display in our trailers as well. Because we believe your trailer contributes to the fun your family will share. And so we never treat trailers as an afterthought.*

\* A three-log conversion kit must be installed for triple-log pontoon model

- ▶ **Tandem-axle, galvanized, scissor-lift trailers**

- Makes launching between seasons easier
- Specially engineered to pick up pontoon in water or at ground level
- With brakes standard for the 3500-lb. model

4 reasons why you won't find a better pontoon or deck boat.

*For all the proof points you need illustrating the superiority of Princecraft pontoon and deck boats, visit your dealer or [princecraft.com/proof](http://princecraft.com/proof).*

## 1 Unsurpassed Craftsmanship

The individuals who craft Princecraft pontoon and deck boats are obsessive about details. Even the details you'll never, ever see. What most of us would accept as "good enough" they take as a personal affront. They insist on H36 aluminum through our boats for uniform strength and durability. The fact is, we overbuild every pontoon and deck boat, and you don't get rich making boats so durable people keep them for a lifetime. But that's our loss and your gain. Every component of every model is precision assembled as part of our unique construction process. So go ahead, carefully inspect every inch — every seam, weld, joint or component. Don't rely on a collection of words in a catalog; prove it to yourself. You won't find better fit and finish in any other brand.

[princecraft.com/proof](http://princecraft.com/proof)

## 4 Unmatched Performance

No matter what manufacturer you may be, if you decide to create boats out of aluminum you've already committed to better performance. Fiberglass is 50% heavier than aluminum and requires much more horsepower. Still, within pontoon and deck boat design Princecraft has pioneered more innovations to improve performance than any other manufacturer. Whether it's pontoon shape or hull design, lifting strakes or reverse chines, power out of the hole or razor-sharp cornering, you simply can't beat a Princecraft pontoon or deck boat. We even offer a pontoon performance package that allows everybody to feel that jaw-dropping speed. Naturally, talk is cheap. The best way to experience a Princecraft is to take it for a test drive. See your dealer or ask one of our proud owners at a dock. You won't find any brand of pontoon or deck boat that performs better.

### 3 The Best Experience

All of the quality attributes we engineer into every Princecraft pontoon and deck boat are just pieces of a larger puzzle. They all come together to create some of the most cherished moments your family will have together. And when combined with the service your dealer provides and the best limited warranty in the industry, Princecraft provides our owners with the best overall boating experience. Match our pontoon or deck boats up against any other brand, for craftsmanship, comfort, performance or any other quality you'll see Princecraft tops your list. If you think any other brand even compares, it must be a great boat and we would be the first to encourage you to buy it. But we're convinced once you compare, you too will become a brand advocate, and help sell others on Princecraft.

### 2 Enduring Comfort, Design & Styling

At Princecraft, we have a greater expectation for what "comfort" means than anybody else in the industry. So we want you to compare our floor plans and storage to other brands. And far more than a soft place to park your derriere, we define comfort by creating seating and amenities around you and your family's needs. Seats and configurations are ergonomically designed around the human body — not around convenient manufacturing capabilities. Yet, the greatest test of comfort is time. True comfort is defined by being on the water all day, whether cruising or anchored, and still feeling as cozy as if you are in your living room. And further, when you engineer boats to last for decades the soft contours of your padding and upholstery should last too. So compare, if you can find any other brand that offers more comfort for decades to come we'll tattoo their logo on our derrieres.

# OPTIONAL EQUIPMENT

## Pontoons

**1** Bow lounge sun cushions\* **2** Spacious pull-out sleeper bed\*
