Fiberglass helm console with optional Lowrance® X-50 DS fish/depth finder

7-foot lockable rod storage compartment

Privacy enclosure

Optional vinyl flooring with snap-in carpet

Plus many more features

- Full-length pontoon skirting & keel
- Abundant space with 102" beam
- 25"-diameter pontoon tubes
- 4 waterproof speakers
- 12-volt bow trolling motor plug and receptacle
- Large built-in fuel system (125 L / 33 U.S. gal.)

Sportfisher 22 LP4S
Shown in Mocha with optional vinyl flooring, snap-in carpet and trolling motor

Imagine fishing all day in lavish comfort.

2 bow fishing seats conveniently located for easy fishing that hide a battery storage compartment and optional livewell

20-ounce Cut Loop collection carpet

Rotomolded storage under all seating

Rear sundeck

Large privacy enclosure

2 stern fishing seats

25" electric-fill aerated livewell with post-overflow, anti-spill cover and thru-deck drain system

Fiberglass console including complete, fully lit instrumentation

AM/FM/CD player, Sirius compatible and MP3-ready marine stereo

Captain's chair with slide and swivel

7-foot lockable rod storage compartment

Stern boarding ladder with handrail and platform

Sportfisher 24 LP4S
Shown in Sunset Orange, with optional bow livewell and trolling motor

SPORTFISHER 20 L4S & 18 L4S

Pontoon cruising and fun with a cool fishing twist.

Sportfisher 20 L4S
Shown in Islander Blue

Plus many more features

- 5052-H36 aluminum construction
- Full-length pontoon skirting & keel
- 25"-diameter pontoon tubes (23" on 18 L4S)
- 2 waterproof speakers
- 12-volt bow trolling motor plug and receptacle
- Large built-in fuel system (125 L / 33 U.S. gal.) (20 L4S)

Unmatched | Performance

No matter what manufacturer you may be, if you decide to create boats out of aluminum you've already committed to better performance. Fiberglass is 50% heavier than aluminum and requires much more horsepower. Still, within pontoon and deck boat design Princecraft has pioneered a lot of innovations to improve performance. Whether its pontoon shape or hull design, lifting strakes or reverse chines, power out of the hole or razor-sharp cornering, you simply can't beat a Princecraft pontoon or deck boat. We even offer a pontoon performance package that allows everybody to feel that jaw-dropping speed. Naturally, talk is cheap. The best way to experience a Princecraft is to take it for a test drive. See your dealer or ask one of our proud owners at a dock. You won't find any brand of pontoon or deck boat that performs better.

For all the proof points you need illustrating the **superiority of Princecraft**

Unsurpassed | Craftsmanship

The individuals who craft Princecraft pontoon and deck boats are obsessive about details. Even the details you'll never, ever see. What most of us would accept as "good enough" they take as a personal affront. They insist on 5052-H36 aluminum through our boats for uniform strength and durability. The fact is, we overbuild every pontoon and deck boat, and you don't get rich making boats so durable people keep them for a lifetime. But that's our loss and your gain. Every component of every model is precision assembled as part of our unique construction process. So go ahead, carefully inspect every inch—every seam, weld, joint or component. Don't rely on a collection of words in a catalog; prove it to yourself. You won't find better fit and finish in any other brand.

The Best | Experience

All of the quality attributes we engineer into every Princecraft pontoon and deck boat are just pieces of a larger puzzle. They all come together to create some of the most cherished moments your family will have together. And when combined with the service your dealer provides and the best limited warranty in the industry, Princecraft provides our owners with the best overall boating experience. Match our pontoon or deck boats up against any other brand, for craftsmanship, comfort, performance or any other quality you'll see Princecraft tops your list. If you think any other brand even compares, it must be a great boat and we would be the first to encourage you to buy it. But we're convinced once you compare, you too will become a brand advocate, and help sell others on Princecraft.

Enduring | Comfort, Design & Styling

At Princecraft, we have a greater expectation for what "comfort" means than anybody else in the industry. So we want you to compare our floor plans and storage to other brands. And far more than a soft place to park your derriere, we define comfort by creating seating and amenities around you and your family's needs. Seats and configurations are ergonomically designed around the human body—not around convenient manufacturing capabilities. Yet, the greatest test of comfort is time. True comfort is defined by being on the water all day, whether cruising or anchored, and still feeling as cozy as if you are in your living room. And further, when you engineer boats to last for decades the soft contours of your padding and upholstery should last too. So compare, if you can find any other brand that offers more comfort for decades to come we'll all get tattoos of their logo.

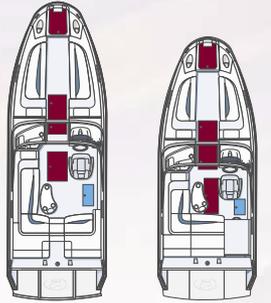

pontoon and deck boats, visit your dealer or princecraft.com/proof

PONTOON & DECK BOAT FLOOR PLANS

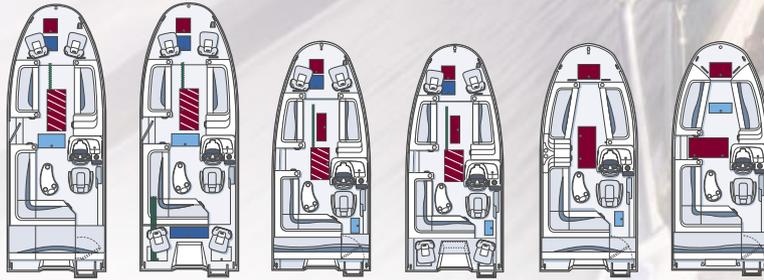

Every centimeter of a Princescraft pontoon or deck boat has been thoroughly designed and redesigned to optimize space. Floor plans in every model ingeniously maximize seating, storage and available room for everyone's comfort.

HYDRAULIC STEERING

With the improved performance of larger engines and faster speeds, Performance Package pontoons are equipped with hydraulic steering for easier maneuvering.

THREE TUBES

A third pontoon log gives you better stability and performance while greatly increasing the load and power capacities.

REINFORCED AT PRESSURE POINTS

With larger engines producing faster speeds, Performance Package pontoons are reinforced at pressure points such as the nose cone to absorb more stress and pounding.

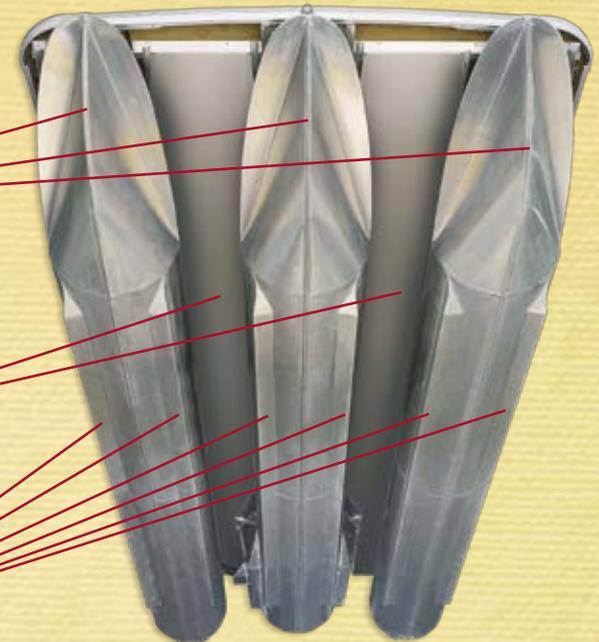

UNDER-DECK SPRAY SHIELD

The under-deck spray shield will provide a smoother ride and better performance at higher speeds by preventing waves from hitting the under floor cross channels.

LIFTING STRAKES

Lifting strakes give you additional lift for faster running by significantly reducing the surface area of the pontoon logs in the water, especially at high speeds.

When it comes to performance, you should never have to settle. That's why every Princecraft pontoon boat offers amazing power and versatility. With our Performance Package, you'll not only get the equivalent of a turbo-charged pontoon, you'll enjoy the perfect combination of pontoon features and deck boat thrills.

DECK BOAT TRAILERS

- Custom-made to precisely fit your boat's hull
- Easier loading and unloading
- Heavy-duty construction
- Integrated step pads for easier in/out access
- Swing tongue comes standard
- High-capacity radial tires
- Deck boat trailer options
- Beige trailers to match your boat or galvanized trailers*
- Single or tandem axles depending on model size
- Deluxe trailers are available with Vacanza Series deck boats. Consult page 9 for details.

*Galvanized and deluxe trailers by special order only

Heavy-duty winch

Load guides

Integrated step pads

Swing tongue

PONTOON TRAILERS

Single-axle, painted, bunk-style trailers

- Available with Vectra 16 and 17 L, Vision 19 L and Sportfisher 18 L4S models.

Tandem-axle, galvanized, bunk-style trailers*

- Galvanized, with brakes included standard
- Greater load capacity than most other styles
- Ideal for long-distance trailering
- Makes launching your pontoon more convenient and reliable

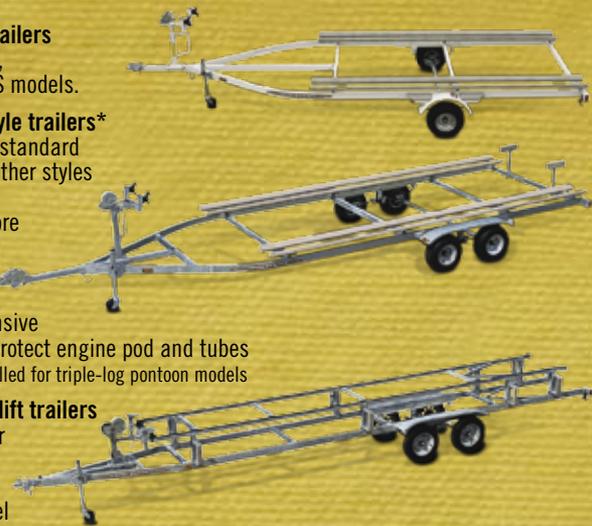

- Optional motor pod support available for extensive trailering and to protect engine pod and tubes

*A three-log conversion kit must be installed for triple-log pontoon models

Tandem-axle, galvanized, scissor-lift trailers

- More convenient for shallow-water landings
- Specially engineered to pick up pontoon in water or at ground level
- With brakes standard

CUSTOMIZED CANVAS¹

Full-camper enclosure

We build an extra promise into each Princecraft pontoon or deck boat that ownership will greatly enhance your enjoyment of life. And our custom-crafted canvas enclosures can help prepare you for any weather and significantly extend your boating season. Every pontoon and deck boat is fitted with fasteners for canvas tops at the factory. By using the same precise specs to position the fasteners on every model, your top fits perfectly at every snap. And custom-fit mooring covers available on all models keep rain and dew outside and everything dry inside.

Full-camper enclosure

Half-camper enclosure

Mooring cover

Traveling struts⁴

Quick-release latches³

Stand-up high convertible top with curtains and tonneau cover* (models equipped with wakeboard towing tower)

Front deck cover

Quick-release latches³

PRINCECRAFT CANVAS IS BETTER¹

- Only the most durable marine-tested fabric is used
- Additional clear acrylic coating is applied to back side of fabric to repel water
- Every canvas enclosure crafted to Princecraft's standard of quality
- Color-coordinated to your boat²
- Traveling struts available to prevent further wear or damage of your top while trailering⁴

ADVANTAGES OF PRINCECRAFT POLYESTER FABRIC

- Superior strength and tear resistance to solution-dyed acrylic marine fabrics
- Much higher degree of water repellence
- Significantly greater dimensional stability
- Vastly superior abrasion resistance

FULL-CAMPER ENCLOSURE^{1, 2}

- Full-length sun shade
- Add front, side and aft curtains for enclosed shelter
- Stows easily when not in use
- Easy to assemble

HALF-CAMPER ENCLOSURE^{1, 2}

- Protects the whole pontoon or deck boat from the elements
- Provides access to the mid-ship area
- Can also be used as a mooring cover
- Easy to assemble

QUICK-RELEASE BIMINI LATCHES³

- Quick-release bimini top latches come standard³
- Top lowers to go under bridges or while trailering
- Helps protect the canvas from wear or damage

LIMITED WARRANTY

Princecraft canvas comes with a 5-year limited warranty against excessive loss of color or strength under normal exposure conditions, including sunlight, rot, mildew and atmospheric chemicals

¹ Remember to refer to your Owner's Manual for information concerning carbon monoxide and the use of canvas while boat is underway

² Available on select models

³ Standard on Versailles, Vantage, Sportfisher 20 LP4S, 22 LP4S, 24 LP4S & Vision 23 L pontoons and all deck boat models

⁴ Optional on Sportfisher 20 L4S & 18 L4S

- Standard
 - Option
 - UE Upgrade exchange
- The integrated galley unit includes sink, faucet and portable water tank.
 - A Pilot™ digital-multifunction speedo-meter gauge includes: speed, clock, water temperature, air temperature, dual timers, trip log, voltmeter and depth sounder with programmable keel offset and shallow and deep water alarms.
 - A Pilot™ digital-multifunction tachometer gauge includes: tachometer, fuel remaining, fuel flow, hourmeter, total and trip fuel log, digital trim gauge, engine temperature and oil pressure.
 - With CeNET Control of: 6-Disc CD Changer and Satellite Receiver.
 - Built-in electric-fill aerated livewell with post overflow, anti-spill cover and thru-hull drain system.
 - Triple pontoon performance package incl. 3rd log, under-deck spray shield, Sea Star hydraulic steering system & lifting strakes. (O/B version only)
 - In the pontoon category, the Sea Star hydraulic system is available with the 3rd log option only. All hydraulic system are only available with Optimax and non-Verado four-stroke engines.
 - Amenity package includes tilt steering mechanism, sliding rails for captain's chair & halogen docking lights.
 - Not available with wakeboard towing tower package.
 - Bow gate seat not available with bow pull-out sleeper bed.
 - Leisure package includes pop-up privacy enclosure, stern boarding ladder & pedestal mount stern removable snack table w/ drink holders.
 - Snap-in carpet not available with port seating group and pull-out sleeper bed.

Boat/motor packages are available with Mercury® outboard and Mercury® MerCruiser® sterndrive power.

OPTIONAL EQUIPMENT

*Available on select models. Please consult optional features chart pages 47-48 for details.

PONTOONS

1. Spacious pull-out sleeper bed*
2. Stern boarding ladder*
3. Bow gate seat*
4. Flush-mounted halogen docking lights*
5. Four-step, side boarding ladder*
6. Refreshment table with sliding top*
7. Port table group*
8. Luxury reclining captain's chair*
9. Multi-purpose bag*
10. Lowrance® X-50 DS fish/depth finder*
11. Optional livewell*
12. Portable Ottoman cooler*
13. Deck mount barbecue gas grill*
14. Triple pontoon performance package*
15. Vinyl flooring*
16. Snap-in carpet*

PONTOON & DECK BOATS

1. Tilt-steering wheel*
2. Stainless steel ski tow bar*
3. 212-watt AM/FM/CD player with CD/DVD changer control & Sirius® satellite radio compatible*
4. 208-watt AM/FM/CD player*
5. Pop-up privacy enclosure*
6. Removable privacy enclosure*
7. Chemical toilet*
8. Bow inflatable bed*
9. Oval pedestal-mount snack table*
10. Rectangular pedestal-mount snack table*
11. Galley conversion*

DECK BOATS

1. Towing tower*
2. Full-width rear swim platform*
3. Halogen docking light*
4. SmartCraft® instrumentation*
5. Captain's chair with adjustable bolster*
6. Port and starboard swim platforms*

Remember, life vests float, you don't.

Everything we do at Princecraft comes from our desire for you and your family to have the times of your life with our boats. And safety is a big part of your experience. That's why we encourage you to always wear life preservers while aboard any moving vessel.

A BOAT LIKE NO OTHER. A WARRANTY LIKE NO OTHER. ALL PRINCECRAFT PONTOONS & DECK BOATS OFFER:

- **Limited lifetime coverage** against defects in material or workmanship for all main riveted/welded hull seams, all pontoon main seam welds including pontoon assembly, deck risers, railings and motor mounts.
- **10-year limited coverage** on all other deck boat aluminum hull components for defects in material or workmanship.
- **1-year limited coverage** on component parts manufactured or installed by Princecraft as well as those not manufactured by Princecraft — gauges, dash panels, steering components, hardware pumps, windshields, fuel tanks.
- **Limited lifetime coverage** to replace any wood floor parts for materials and a period of 5 years for labor.
- **5-year limited coverage** on excessive fading or defects in material or workmanship on carpet and vinyl upholstery.
- **5-year limited coverage** on excessive loss of color on canvas fabric.

For more details on the best warranty around, see your nearest dealer.

WHY BUY PRINCECRAFT?

- | | | | |
|--------------------------------|------------------------------|-------------------------------|------------------------|
| • State-of-the-art engineering | • Unmatched performance | • More extras | • Lasting value |
| • Better aluminum | • Unparalleled durability | • Hassle-free boating | • Best warranty around |
| • Superior craftsmanship | • Unsurpassed fit and finish | • The best overall experience | |

For details on why a Princecraft is the best boat for you, visit www.princecraft.com, or to find the dealer nearest you, call 1-800-395-8858

In Canada: **Princecraft Boats Inc.**, A subsidiary of Brunswick International Limited, 725 Saint-Henri Street, Princeville (Quebec) G6L 5C2

In the United States: **Princecraft U.S.**, A division of Brunswick Corporation, 1 N. Field Court, Lake Forest, IL 60099

Princecraft factory-packaged boats are available with various horsepower Mercury® outboards or Mercury MerCruiser® Inboard/Outboard engines.
