ALUMINUM FISHING BOATS

PRINCECRAFT®

STRONG AND DURABLE, IT'S A PRINCECRAFT

For fun on the water, nothing beats a Princecraft. For over 60 years, Princecraft has been the first choice of true nature lovers. Whether you're a new Princecraft owner or a loyal follower for many years, it's the quality and durability of our boats that count. You're one of the many for whom "It's a Princecraft or nothing." Your dream of freedom starts here: from our researchers, designers, developers, assemblers, and testers to you.

OUR SECRET: H36 ALUMINUM

Princecraft hulls are the strongest and most durable on the market because they are made with the best marine-grade aluminum in the business, 5052-H36.

- / 25% stronger than the aluminum used by most of our competitors
- / More resistant to shock and warping
- / Maintains peak performance
- / Helps boost boat resale value

3 double-plated hull thicknesses used by Princecraft

If your hull catches on the bottom of the lake, it had better be made of H36!

This graph from a 2011 study by Alcoa Innovation clearly shows H36's superior impact strength.

IMPACT TEST

Why don't all manufacturers use H36?

H36's rigidity makes it more difficult to work with. It requires extremely accurate, state-of-the-art equipment, and above all, exceptional expertise.

ONLY PRINCECRAFT HAS BOTH!

H36 also has a higher breaking load and elastic limit than other alloys, which boosts your confidence on the water and the value of your investment!

Invented by Princecraft, the double reverse chine:

- / Improves performance at all speeds and in all boating conditions
- / Makes it easier to steer the boat and control its speed
- / Increases the boat's carrying capacity while reducing friction so the boat planes easily even when heavily loaded
- / Prevents chine walk at high speeds
- / Keeps occupants dry

MOST OF OUR BOATS HAVE TWO THICKNESSES OF H36 ALUMINUM FROM THE MIDDLE OF THE HULL TO THE STERN.

This construction diffuses the stress on the bottom of the boat toward the side panels for better performance at high speeds.

CUSTOM MULTIFUNCTION TRAILERS

To ensure that your pleasure craft lives up to its name, it should be a pleasure to handle all down the line—even when you're towing and launching it.

- /1. Heavy-duty winch* /2. Carpeted load guides*
- /3. Swing tongue*
- /4. Fenders with step pads*
- /5. Optional mag wheels*
- /6. Waterproof recessed LED lights*

* On most models or optional

ALL PRINCECRAFT TRAILERS ARE NOW EQUIPPED WITH THIS SYSTEM

This ingenious system combines the advantages of grease and oil to create an ultra high performance lubricant. At room temperature, its viscosity is similar to that of grease. But as the bearings heat up, the lubricant becomes more fluid coating the bearings better to more effectively reduce friction and dissipate the heat generated during towing.

Each bearing is encased in a completely sealed, airtight, leak-proof, pressurized chamber.

That's why each of our trailers is custom-made according to the highest standards of quality to offer topnotch stability and maneuverability on the road, in addition to easy loading and unloading.

SE painted trailer
(Platinum SE Series only)

Galvanized steel trailer
with swing tongue

AN EXTRA DURABLE FRAME

- / Extra sturdy tubular structure
- / Brake cables and circuits are inserted in a steel tube to protect them from the elements
- / Guaranteed long term reliability

OPTIMAL SAFETY

- / Superior on-road stability and handling
- / Watertight LED light system
- / Factory-balanced wheels
- / Double safety chain
- / Sealed hubs
- / Complies with NMMA and Transport Canada standards

SPECIAL FEATURES

- / Sturdy winch
- / Swivel tongue jack*
- / Soldered attachment for optional transom saver motor support
- / Galvanized steel wheelbase for rust protection
- / Practical swing tongue: saves space, stores easily
- / Composite fenders with built-in step pads
- / Radial tires (standard on most models)
- / Aluminum alloy STAR mag wheels (optional on certain models)

STRATEGICALLY PLACED BUNKS AND LOAD GUIDES

- / Custom design
- / Marine carpet-covered load guides protect your boat's hull (certain models only)
- / Bunks remain in constant contact with the hull for optimally distributed support
- / Easier loading and unloading

PRINCETRAK SYSTEM

Extrusion allowing onboard tool attachment

3

4

- /1. Quick storage for three fishing rods
- /2. Fishing rod support
- /3. Cup holder
- /4. Multipurpose plate. Slide your PrinceTrak into position and attach whatever you want to it: sonar, tools, and lot more.

Ingenious Livewells!

A must-have for fishing, good livewells help keep your catch healthy and fresh. Princecraft offers you three top-quality options to help you get the most out of each and every day of fishing!

SPORTFLO™

This system includes:

- / A pump for filling the tank and aerating the water
- / An overflow system that empties to the outside
- / Protection filter on the filling pump
- / An anti-spill cover¹

Models featuring SportFlo™ livewell system

- / Sport 172 / Xpedition 170 WS and SC
- / Sport 167 / DLX Series

PROFLO™

Includes all SportFlo™ features, plus:

- / A dual pump system that keeps water recirculating on the water or dock
- / Intermittent recirculation to control water aeration¹
- / A light¹

Models featuring ProFlo™ livewell system

- / Xperience 188 / Sport 187
- / Sport 177 / Xpedition 200 WS and SC

PROFLO™ PLUS *Exclusive*

The ProFlo™ Plus livewell is virtually maintenance free, and features automatic filling and recirculation that lets you focus on fishing. Its dual-pump system keeps your bait alive and your catch beautifully fresh, whether you're cruising the open water or tied up at the dock.

Models featuring ProFlo™ Plus livewell system

- / Platinum SE 227 / Platinum SE 186
- / Platinum SE 207 / Platinum SE 176

CANVAS AND COVERS: A PERFECT FIT

1

2

3

4

Princecraft canvas and covers are specially designed to fit your boat.

What's more, all our boats come with snap buttons installed in our factory using extremely precise templates for a perfect, effortless fit. At Princecraft we provide quality products from bow to stern!

- /1. Mooring cover
- /2. Trailer cover
- /3. Complete stand-up high top with tonneau cover and curtains (windshield model shown)
- /4. Sun top for utilities

OPTIONS

PRINCETRAK SYSTEM

Extrusion allowing onboard tool attachment

- /5. Quick storage for three fishing rods
- /6. Fishing rod support
- /7. Cup holder
- /8. Multipurpose plate (Slide your Prinetrak into position and attach whatever you want to it: sonar, tools, and lot more).

Fishing package

- /9. Fishing package including addition of Tournament Fishing Team (TFT) graphics, tool storage module, flat seat bases on fishing platforms, seat exchange, fish ruler, quick rod storage, and net(s) addition under console(s) and on platform (optional on Xpedition and DLX Series)

/10. Stern boarding ladder /11. Engine pod platform with stern boarding ladder combo /12. Folding seat /13. Deluxe folding seat /14. Deluxe convertible seat /15. Heated reclining captain's chair with adjustable armrests /16. Bicycle seat with post /17. Sonar Humminbird® PiranhaMAX 197c /18. Sonar/GPS Humminbird® Helix 5 /19. Sonar/GPS Humminbird® 859ci HD Combo /20. Sonar Lowrance® Elite-3x /21. Sonar Lowrance® Elite-4x CHIRP /22. Sonar/GPS Lowrance® HDS-7 /23. Control for kicker engine /24. Kicker engine /25. Windshield wiper /26. Mercury SmartCraft™ gauges /27. 160-watt AM/FM/Bluetooth Jensen® Stereo with integrated auxiliary input (1/8") in console /28. 200-watt AM/FM/CD/Bluetooth Clarion® Stereo compatible SAT with integrated USB plug and auxiliary input (1/8") in console /29-30. Ski pylon /31. Downrigger supports (2) /32. Sleeper seat /33. Battery charger (many models available) /34-35. Wash down system /36. Chemical toilet with holding tank and pump out /37. Marine grade carpeted floor covering /38. Bow rider seat cushions /39. Heated convertible passenger seat /40. Optional privacy enclosure (Xperience 188 only) /41-42. Tilt steering and slider for captain's chair /43. Port console

PLEASE READ CAREFULLY: Dimensions, capacities, ratings, and additional specifications, plus complete warranty and service information, are available from your Princecraft dealer. Product illustrations and data within this catalog are based upon information available at the time of publication. Not all accessories shown in pictures or described herein are standard equipment or even available as options. Specification measurements are approximations and subject to variance. Because Princecraft is dedicated to constant product improvements, Princecraft reserves the right to make changes without prior notice or obligation. Not all model year boats may contain all of the features or meet the specifications described herein. Ask your Princecraft dealer for the most current product specifications prior to purchase. Some of the equipment shown separately or on products illustrated in this catalog may be optional at extra cost. Options and features are subject to change without notice. Princecraft is a member in good standing of the National Marine Manufacturers Association (NMMA) USA and Canada. All boats comply with Canadian Coast Guard and U.S. Coast Guard regulations. All Princecraft® boats are in compliance with NMMA's Boat Certification Program. Attwood™ is a registered trademark of Attwood Corporation.
