PONTOON AND DECK BOATS

**PRINCECRAFT**

***Behind every  
Princecraft boat  
stands our dedicated  
team of passionate  
employees.***

From the initial design to the final finishing touches, nothing escapes their nimble fingers and sharp eyes. Over the years, they have developed incomparable know-how, sustained by a desire for innovation, precision, and performance — expertise that is reflected in every aspect of your boat. When a Princecraft boat leaves the factory to become a part of your life, our pride goes along with it, because we know it will continue to inspire passion!

# Why choose a Princecraft?

IF YOU'RE LOOKING FOR A SMART INVESTMENT THAT PROVIDES QUALITY, COMFORT, AND PERFORMANCE, THE CHOICE IS CLEAR. CHOOSE A PRINCECRAFT.

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

Our engineers know that reaching that goal means designing tough, reliable, and durable watercraft that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty space and loads of comfort.

Why choose a Princecraft?  
Because you'll never regret it.

## Deck Boats

# SOLID PERFORMANCE

Everything about our deck boats — the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish — is the result of painstaking attention to detail.

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

**THE RESULT** is a solid, high performing watercraft that is lightweight and astonishingly stable.

## *Ride a Wave of Advantages*

- Less maintenance than fiberglass boats
- Better performance with lower fuel consumption
- Tougher and more durable
- Easier to tow
- Easier to stay on plane at lower speeds
- Higher resale value

## Pontoons

# BRILLIANTLY DESIGNED FROM START TO FINISH

### Quiet Propulsion

The V-shaped motor pod cuts engine noise and vibrations.

### Unsinkable Pontoon Tubes

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity.

Multiple airtight chambers make our pontoons virtually unsinkable.

Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

### Stronger Core Structure

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

### Aerodynamic Dolphin Nose

(SVX and Versailles Series only)

The extra long, reinforced bow breaks waves smoothly.

Built-in splash guards on the tubes ensure a dry ride.

### Full-Length Keels for Increased Stability

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride — even in choppy water — and absorb bumps when landing on sandy or rocky beaches.

### Durable, Water-Resistant Decks

Built with 2 cm (3/4") pressure treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

## Welcome to the *Fun Zone!*

**Princecraft's exclusive** Fun Zone was designed for good times. Its ultra plush seat and oversized swim platform make it the perfect spot for jumping in, keeping an eye on the kids, or simply relaxing aboard your pontoon.

- Ultra plush seat provides a great viewpoint
- Platform designed for maximum space and safety
- Finger pinch guard hinges on doors
- Anti-skid vinyl floor
- Remote radio control
- Cup holders
- Easy access to engine

SVX I/O only

## ***Vacanza Series***

Sure, Princecraft boats look beautifully equipped. But they offer much more than meets the eye, like comfort, pleasure, and a sense of security — plus the intense satisfaction that comes from owning an easy-handling boat that's spacious and spirited. They're all the hallmarks of our Vacanza deck boat. What sets it apart from fiberglass craft? Its amazing lightness, unparalleled performance, and low maintenance. It's no coincidence that vacanza means "holiday" in Italian!

## ***Ventura Series***

Need a boat that meets lots of different requirements? Are fishing and water sports both high on your list of favorite pastimes? We can't lengthen your weekends, but the Ventura Series will grant all your other wishes! Just select the model, features, and configuration that suit your needs. Whatever combination you choose, you'll enjoy the superior stability, outstanding comfort, and unsurpassed performance of Princecraft deck boats.

## ***SVX Series***

With its racy look and ultra-sporty performance, the SVX Series is best of breed when it comes to pontoons. Wherever you look, you'll find myriad details that take the unsurpassed refinement of these amazing boats to new heights.

## ***Versailles Series***

With its broad selection of models and long list of standard features you — and your family and friends — will relish every minute on board. It's the pontoon designed to make you the host with the most!

## ***Vantage Series***

The boats in our Vantage Series are user-friendly and rugged, your passport to hours of complete relaxation surrounded by total comfort. Proof that at Princecraft, you can use the words "luxury pontoon" and "affordable" in the same sentence.

## ***Vectra Series***

Looking for great value for the money? Check out the Vectra Series. These comfortable, high-performing pontoons won't break the bank and are equipped with all sorts of amenities that meet our high standards. Invite your friends and have a great day on the water!

***New***

## ***Brio Series***

Say hello to Brio, our spirited new Series of amazing pontoons. Light, compact, and extremely easy to handle, they're also remarkably comfortable. And they're not only eye-catching, they're also eco-friendly!

Driver's console with AM/FM/CD Stereo with iPod controls and SAT compatible

# Stronger. Faster.

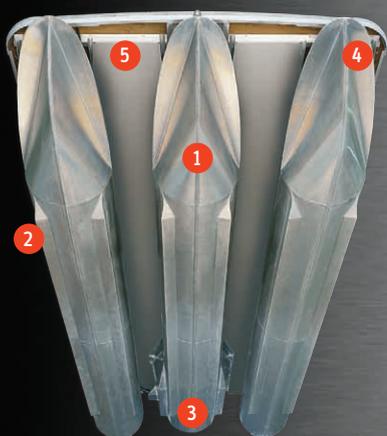

WITH THE PERFORMANCE PACKAGE, AVAILABLE ON SOME OF OUR PONTOON MODELS, A THIRD TUBE IS ADDED TO YOUR PONTOON FOR BETTER MANEUVERABILITY, STABILITY, AND FLOATABILITY. YOUR PONTOON CAN THEN BE FITTED WITH A BIGGER MOTOR THAT WILL LIFT YOU OUT OF THE WATER FASTER. IT'S PERFECT FOR WATER SPORT LOVERS!

## 5 FEATURES OF THE PERFORMANCE PACKAGE

- 1. A THIRD FULL-SIZED TUBE** lets you install a more powerful motor and improves stability, performance, and load capacity.
- 2. LIFTING STRAKES** reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.
- 3. HYDRAULIC STEERING** improves maneuverability at high speeds.
- 4. REINFORCED PRESSURE POINTS** on stress zones (e.g., tube noses) absorb more impact and pounding from waves.
- 5. AN UNDER-DECK SPRAY SHIELD** prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

## Space Package

Greater range and more storage space:

- Very large capacity fuel tank (208 L)
- Anchor storage compartment and huge ski storage compartment built into center tube

Comes standard on SVX 25 I/O, 27 I/O, and 29 I/O pontoons equipped with the Performance Package. Available as an option on many other models (upgrade exchange). See your local dealer for details.

## Another Option

Lifting strakes can also be added to pontoons with two tubes. Why? To increase maximum speeds by 25 to 30%! See your local dealer for details.

## PONTOON PERFORMANCE PACKAGE

Including 3<sup>rd</sup> log, under-deck spray shield, hydraulic steering system and lifting strakes

\* NMMA (USA) / Manufacturer's Recommendations

## Insist on customized canvas tops and covers for your pontoon or deck boat.

As always, Princecraft's standard of quality ensures total satisfaction!

- Made exclusively with durable marine quality fabric
- Superior resistance to wear and tear
- Superior water repellence thanks to a transparent acrylic coating
- Precision fitted, high quality windows, zippers, and fasteners
- Custom design for a perfect fit in a snap
- Stows easily
- Color coordinated to match your pontoon or deck boat

### Half Camper Enclosure<sup>1</sup>

- Protects against the elements and can be used as a mooring cover
- Provides easy access to mid-ship area

### Trailer Cover

- Protects against branches, rocks, and other hazards while traveling

### Quick Release Bimini Latches<sup>2</sup>

- Let you fold the top down like a convertible awning for traveling or getting under bridges

### Front Deck Cover

- Prevents water from leaking in under the door

### Full Camper Enclosure<sup>1,3</sup>

- Full length sun shade
- Optional front, side, and aft curtains

#### WARNING

Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvases while boating.

<sup>1</sup> Available with some models.

<sup>2</sup> Available with SVX, Versailles, Vantage, and all deck boats.

<sup>3</sup> Full enclosure should not be used while engine or generator is running.

## Your custom-made, heavy duty Princecraft trailer follows you wherever you go to make your life easier!

### FOR PONTOONS

#### Painted, Bunk Style Single-Axle Trailers

- Available with Vectra 17, 19, and 19-25 as well as Brio 15, Brio<sup>®</sup> 15, and Brio<sup>®</sup> 17 models

#### Galvanized, Bunk Style, Tandem- or Triple-Axle Trailers<sup>4</sup>

- Designed for long distance travel
- Superior load capacity
- Brakes standard
- Motor pod support for frequent travel (optional)

#### Galvanized, Tandem-Axle, Scissor-Lift Trailers

- Convenient for shallow water
- Engineered to lift pontoon out of the water or off the ground
- Brakes standard

### FOR DECK BOATS

#### Customized Trailers

- Custom-made to fit your boat's hull
- Composite fenders with built-in step pads
- Large radial tires
- Single or tandem axle, depending on boat size (optional)
- Heavy duty winch
- Load guides

- Black color to match your boat (optional)
- Galvanized steel (special order)
- Swing tongue

#### Deluxe Trailers

- Available with Vacanza Series deck boat (special order)
- Tandem drop axles with 14" aluminum Star wheels
- 2"x5" steel tubing
- Steel fenders
- Disk brakes
- Swing tongue
- LED lights
- Available in colors to match boat (Black and Regal Red)

<sup>4</sup> Conversion kit required for pontoons equipped with a third tube.
