

# 2012 PONTON AND DECK BOATS

**PRINCECRAFT**

## ***A Princecraft Boat Is a Product of Teamwork***

More than 200 people had a direct hand in bringing your Princecraft into being – and another 300 workers contribute indirectly to Princecraft’s activities. And your pontoon or deck boat was entirely designed and manufactured in the region. From the initial design to the final finishing touches, these dedicated professionals were driven by a never-ending search for performance, precision, and quality. It’s not surprising that Princecraft owners have a special attachment to their boats—the pride they feel every time they climb aboard is the same pride hundreds of us feel each time a pontoon or deck boat leaves our workshops.

# Why choose a Princecraft?

IF YOU'RE LOOKING FOR A SMART INVESTMENT THAT PROVIDES QUALITY, COMFORT, AND PERFORMANCE, THE CHOICE IS CLEAR. CHOOSE A PRINCECRAFT.

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

Our engineers know that reaching that goal means designing tough, reliable, and durable watercraft that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty of space and loads of comfort.

Why choose a Princecraft? Because you'll never regret it.

## Deck Boats

# SOLID PERFORMANCE

Everything about our deck boats — the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish — is the result of painstaking attention to detail.

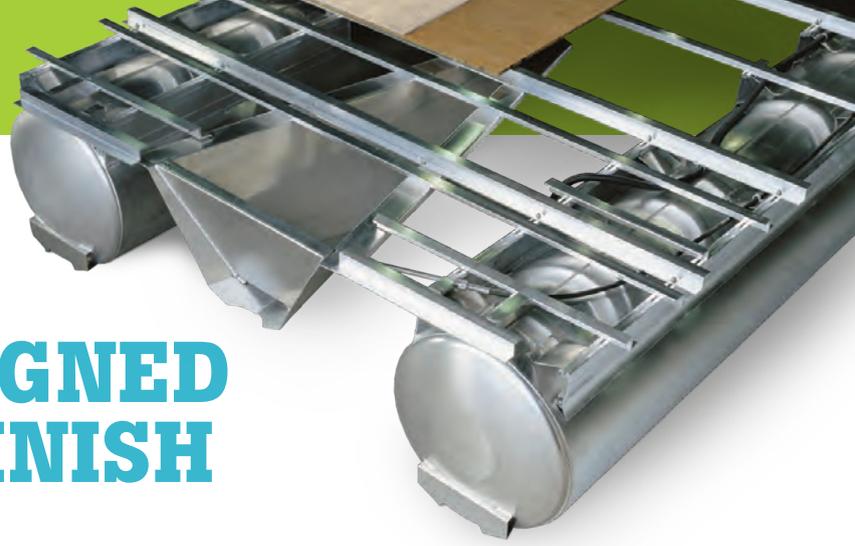

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

**THE RESULT** is a solid, high performing watercraft that is lightweight and astonishingly stable.

## Ride a Wave of Advantages

- Less maintenance than fiberglass boats
- Better performance with lower fuel consumption
- Tougher and more durable
- Easier to tow
- Easier to stay on plane at lower speeds
- Higher resale value

## Pontoons

# BRILLIANTLY DESIGNED FROM START TO FINISH

### Quiet Propulsion

The V-shaped motor pod cuts engine noise and vibrations.

### Unsinkable Pontoon Tubes

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity.

Multiple airtight chambers make our pontoons virtually unsinkable.

Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

### Stronger Core Structure

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

### Aerodynamic Dolphin Nose

(SVX and Versailles Series only)

The extra long, reinforced bow breaks waves smoothly.

Built-in splash guards on the tubes ensure a dry ride.

### Full-Length Keels for Increased Stability

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride — even in choppy water — and absorb bumps when landing on sandy or rocky beaches.

### Durable, Water-Resistant Decks

Built with 2 cm (3/4") pressure treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

## Welcome to the *Fun Zone!*

**Princecraft's exclusive** Fun Zone was designed for good times. Its ultra plush seat and oversized swim platform make it the perfect spot for jumping in, keeping an eye on the kids, or simply relaxing aboard your pontoon.

- Ultra plush seat provides a great viewpoint
- Platform designed for maximum space and safety
- Finger pinch guard hinges on doors
- Anti-skid vinyl floor
- Remote radio control
- Cup holder
- Easy access to engine

SVX I/O only

# *Ventura Series*

CAN YOU ENJOY ALL YOUR FAVORITE ACTIVITIES IN A SINGLE BOAT? OF COURSE! PRINCECRAFT DECK BOATS ARE DESIGNED FOR WATER SPORTS, SPORT FISHING, AND RELAXING ON THE WATER WITH FRIENDS AND FAMILY. NOT ONLY ARE THEY VERSATILE, THEY ARE POWERFUL, VERY STABLE, AND INCREDIBLY COMFORTABLE. ALL YOU HAVE TO DO IS CHOOSE THE PARTICULAR MODEL, FEATURES, AND CONFIGURATION THAT MEET YOUR NEEDS!

## ***SVX Series***

With its racy look and ultra-sporty performance, the SVX Series is best of breed when it comes to pontoons. Wherever you look, you'll find myriad details that take the unsurpassed refinement of these amazing boats to new heights.

## ***Versailles Series***

With its broad selection of models and long list of standard features you — and your family and friends — will relish every minute on board. It's the pontoon designed to make you the host with the most!

## ***Vantage Series***

With their completely updated design for 2012, Vantage Series pontoons are more than ever synonymous with affordable luxury. Built to last, comfortably appointed, and designed for ease of use, this series is tailor made to offer you and your guests moments of pure relaxation.

## ***Vectra Series***

Looking for great value for the money? Check out the Vectra Series. These comfortable, high-performing pontoons won't break the bank and are equipped with all sorts of amenities that meet our high standards. Invite your friends and have a great day on the water!

## ***Brio Series***

Newly designed for 2012, Brio pontoon boats are extremely easy to maneuver. It's the ideal solution for water bodies where gas motors are banned. And they more than rival bigger models for comfort, quality of materials, and careful finishing. Have we piqued your curiosity?

# Power and Speed: **CHOOSE WHAT'S RIGHT FOR YOU**

Princecraft offers a number of performance configurations to ensure your pontoon boat is perfectly adapted to your needs. Our advice: choose the one that will meet all your needs for years to come!

## Classic configuration

These pontoon boats are equipped with a double pontoon, which provides stability, maneuverability, and a high degree of comfort for both driver and passengers. This configuration is perfect for outings with friends, fishing excursions, and long trips that do not require high speeds.

## Speed package

Want to go faster, cover greater distances, or get from A to B more quickly? Add lifting strakes to your double-pontoon boat. You'll increase your maximum speed by 25 to 30%.

Available on the following models:

- |                  |               |                |              |
|------------------|---------------|----------------|--------------|
| SVX 27           | Versailles 23 | Vantage 23-XT  | Vantage 21   |
| SVX 25           | Versailles 21 | Vantage 23-4S  | Vectra 21-4S |
| Versailles 27-SE | Vantage 25-XT | Vantage 23-2RS | Vectra 21-2S |

## Performance package

The performance package adds a third pontoon, which further increases maneuverability, stability, and buoyancy. This allows your pontoon boat to handle a more powerful motor (up to 300 HP) that will propel you through the water more quickly. Perfect for water sports fans!

## 5 FEATURES OF THE PERFORMANCE PACKAGE

- 1. A THIRD FULL-SIZED TUBE** lets you install a more powerful motor and improves stability, performance, and load capacity.
- 2. LIFTING STRAKES** reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.
- 3. HYDRAULIC STEERING** improves maneuverability at high speeds.
- 4. REINFORCED PRESSURE POINTS** on stress zones (e.g., tube noses) absorb more impact and pounding from waves.

- 5. AN UNDER-DECK SPRAY SHIELD** prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

More power, more speed:  
The performance package is the perfect choice for thrill-seekers!

## Insist on customized canvas tops and covers for your pontoon or deck boat.

As always, Princecraft's standard of quality ensures total satisfaction!

- Made exclusively with durable marine quality fabric
- Superior resistance to wear and tear
- Superior water repellence thanks to a transparent acrylic coating
- Precision fitted, high quality windows, zippers, and fasteners
- Custom design for a perfect fit in a snap
- Stows easily
- Color coordinated to match your pontoon or deck boat

### Half Camper Enclosure<sup>1</sup>

- Protects against the elements and can be used as a mooring cover
- Provides easy access to mid-ship area

### Full Camper Enclosure<sup>1,3</sup>

- Full length sun shade
- Optional front, side, and aft "privacy" curtains

### Trailer Cover

- Protects against branches, rocks, and other hazards while traveling

### Quick-Release Bimini Latches<sup>2</sup>

- Let you fold the top down like a convertible awning for traveling or getting under bridges

### Front Deck Cover

- Prevents water from leaking in under the door

#### WARNING

Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvases while boating.

<sup>1</sup> Available with some models.

<sup>2</sup> Available with SVX, Versailles, Vantage, and all deck boats.

<sup>3</sup> Full enclosure should not be used while engine or generator is running.

## Your custom-made, heavy duty Princecraft trailer follows you wherever you go to make your life easier!

### FOR PONTOONS

#### Painted, Bunk Style Single-Axle Trailers

- Available with Vectra 17, 19, and 19-2S as well as Brio 15, Brio<sup>e</sup> 15, and Brio<sup>e</sup> 17 models

#### Galvanized, Bunk Style, Tandem- or Triple-Axle Trailers<sup>4</sup>

- Designed for long distance travel
- Superior load capacity
- Brakes standard
- Motor pod support for frequent travel (optional)

#### Galvanized, Tandem-Axle, Scissor-Lift Trailers

- Convenient for shallow water
- Engineered to lift pontoon out of the water or off the ground
- Brakes standard

<sup>4</sup> Conversion kit required for pontoons equipped with a third tube.

### FOR DECK BOATS

#### Customized Trailers

- Custom-made to fit your boat's hull
- Composite fenders with built-in step pads
- Large radial tires
- Single or tandem axle, depending on boat size
- Heavy duty winch
- Load guides
- Black color to match your boat
- Galvanized steel
- Swing tongue

# OPTIONAL ACCESSORIES\*
