

# 2013 PONTON AND DECK BOATS

**PRINCECRAFT**

## ***A Princecraft Boat Is a Product of Teamwork***

More than 225 people had a direct hand in bringing your Princecraft into being – and another 500 workers contribute indirectly to Princecraft’s activities. And your pontoon or deck boat was entirely designed and manufactured in the region. From the initial design to the final finishing touches, these dedicated professionals were driven by a never-ending search for performance, precision, and quality. It’s not surprising that Princecraft owners have a special attachment to their boats—the pride they feel every time they climb aboard is the same pride hundreds of us feel each time a pontoon or deck boat leaves our workshops.

# Why choose a Princecraft?

IF YOU'RE LOOKING FOR A SMART INVESTMENT THAT PROVIDES QUALITY, COMFORT, AND PERFORMANCE, THE CHOICE IS CLEAR. CHOOSE A PRINCECRAFT.

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

Our engineers know that reaching that goal means designing tough, reliable, and durable watercraft that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty of space and loads of comfort.

Why choose a Princecraft? Because you'll never regret it.

## Deck Boats

# SOLID PERFORMANCE

Everything about our deck boats — the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish — is the result of painstaking attention to detail.

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

**THE RESULT** is a solid, high performing watercraft that is lightweight and astonishingly stable.

## Ride a Wave of Advantages

- Less maintenance than fiberglass boats
- Better performance with lower fuel consumption
- Tougher and more durable
- Easier to tow
- Easier to stay on plane at lower speeds
- Higher resale value

## Pontoons

# BRILLIANTLY DESIGNED FROM START TO FINISH

### Quiet Propulsion

The V-shaped motor pod cuts engine noise and vibrations.

### Unsinkable Pontoon Tubes

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity.

Multiple airtight chambers make our pontoons virtually unsinkable.

Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

### Stronger Core Structure

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

### Aerodynamic Dolphin Nose

(SVX and Vogue Series only)

The extra long, reinforced bow breaks waves smoothly.

Built-in splash guards on the tubes ensure a dry ride.

### Full-Length Keels for Increased Stability

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride — even in choppy water — and absorb bumps when landing on sandy or rocky beaches.

### Durable, Water-Resistant Decks

Built with 2 cm (3/4") pressure-treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

## Welcome to the *Fun Zone!*

**Princecraft's exclusive** Fun Zone was designed for good times. Its ultra plush seat and oversized swim platform make it the perfect spot for jumping in, keeping an eye on the kids, or simply relaxing aboard your pontoon.

- Ultra plush seat provides a great viewpoint
- Platform designed for maximum space and safety
- Finger pinch guard hinges on doors
- Anti-skid vinyl floor
- Remote radio control
- Cup holder
- Easy access to engine

SVX I/O only

# *Ventura Series*

WITH THEIR HIGH PERFORMANCE REVERSE CHINE HULL, VENTURA DECK BOATS ARE READY FOR ANYTHING! WHETHER IT'S FOR WATER SKIING, FISHING OR LONG EXCURSIONS, THEY CUT THROUGH THE WATER WITH AMAZING STABILITY. AND BECAUSE OF THEIR DESIGN AND H36 ALUMINUM HULL, THEY'RE NOT ONLY STRONGER AND MORE DURABLE THAN FIBERGLASS BOATS, THEY NEED LESS MAINTENANCE TOO.

PASSENGERS WILL LOVE THE ABUNDANT DECK SPACE AND SUPER COMFORTABLE SEATS, BUT THE DRIVER WILL FEEL JUST AS PAMPERED! THE FLAWLESSLY ERGONOMIC CAPTAIN'S CHAIR, CAREFULLY ARRANGED AND FINELY FINISHED INSTRUMENTS, AND PRECISELY CALCULATED LINES OF SIGHT MAKE DRIVING A REAL PLEASURE!

## ***SVX Series***

Immerse yourself in genuine luxury—sleek styling, super comfortable seats, elegantly matched colors and materials, and much more. Our SVX models also boast a myriad of practical features, like a large pop-up changing room and built-in galley unit that allow you to entertain guests in style. As for power, the SVX Series provides all the speed, precision, and agility you could wish for. So grab your water skis and get ready for some thrills and excitement!

## ***Vogue Series***

With its Advanced Premium Styling (APS) design, exclusive to Princecraft, the new Vogue Series features a bold concept that takes its cue from the automobile industry. These models are a brilliant combination of super strong construction and incomparable styling. Check out the full height exterior extruded panels and molded fore section with its integrated halogen docking lights and LED lighting. A sure favorite.

## ***Vantage Series***

Vantage models are ideal for those of you seeking more affordable luxury. Their intelligent layout and comfortable seating make them ideal for a whole range of activities without compromising on performance and durability. Browse the following pages to find just the right model for your needs—then set a course to explore new horizons.

# PONTOON

## SECTION

### ***Vectra Series***

The Vectra models are great value for money and ideal for family excursions or escapades with friends. Combining affordability with top-notch performance, our Vectra models are equipped with all sorts of amenities that will make every outing a pleasant experience. These versatile, practical boats have great resale value and allow you to take to the water worry free for some magical moments with those you love.

### ***Brio Series***

Brio is your ticket to freedom! Light and compact, these models are very easy to tow and handle. You can take them anywhere, even where gas motors are prohibited. Just choose the configuration with the high-performance German-designed electric motor. Need more autonomy? Add a solar panel, and off you go!

### ***Voyageur Series***

Sometimes simplicity is just what you're looking for—and that's what the Voyageur pontoon is all about. Its leaner configuration gives you the freedom to use the space whatever you wish. Carry building materials, install your artist's equipment—the choice is yours. With its intelligently designed storage space, large passenger bench, and console with integrated steering system, the Voyageur has everything you need for years of travelling together.

# VANTAGE 25-4S, 23-4S, and 23-2RS

## KEY STANDARD FEATURES

- Sealed pontoon bulkheads with top mounted air plug of 25 inches
- V-shaped aluminum engine pod
- Fiberglass helm console with integrated cooler
- Molded dash panel with woodgrain inserts and lighted switches
- Sport tilt steering mechanism
- Smoked windscreen with quick release
- AM/FM/Bluetooth Stereo with zero current memory draw and USB interface for MP3 devices including 4 waterproof speakers
- Captain's chair on slide and swivel with adjustable headrest
- Stern boarding ladder

### Vantage 25-4S and 23-4S

- 4 swivel folding fishing seats
- 12V or 24V bow trolling motor plug & receptacle with 2 battery tie-downs
- 7-foot lockable rod storage compartment
- Built-in electric-filled aerated livewell (45 L/12 U.S. gal.) with post-overflow, anti-spill cover and thru-hull drain system
- 2 bow storage compartments

### Vantage 23-2RS

- 2 stern swivel folding fishing seats

# Power and Speed: **CHOOSE WHAT'S RIGHT FOR YOU**

Princecraft offers a number of performance configurations to ensure your pontoon boat is perfectly adapted to your needs. Our advice: choose the one that will meet all your needs for years to come!

## Classic configuration

These pontoon boats are equipped with a double pontoon, which provides stability, maneuverability, and a high degree of comfort for both driver and passengers. This configuration is perfect for outings with friends, fishing excursions, and long trips that do not require high speeds.

## Speed package

Want to go faster, cover greater distances, or get from A to B more quickly? Add lifting strakes to your double-pontoon boat. You'll increase your maximum speed by 25 to 30 %.

Available on the following models:

SVX 27	Vogue 23	Vantage 23 XT	Vectra 21 XT
SVX 25	Vogue 21	Vantage 23-4S	Vectra 21-4S
Vogue 25 XT	Vantage 25 XT	Vantage 23-2RS	Vectra 21-2S
Vogue 25	Vantage 25-4S	Vantage 23	Vectra 21
Vogue 23 XT	Vantage 25	Vantage 21	

# PONTOON SPECIFICATIONS

## PERFORMANCE PACKAGE

3rd log, under-deck spray shield, hydraulic steering system with tilt wheel and lifting strakes.

## PERFORMANCE PLUS PACKAGE

3rd log, under-deck spray shield, hydraulic steering system with tilt wheel, lifting strakes, large built-in fuel system and 2 in-floor storage compartments.

## Performance and Performance Plus packages

The performance package adds a third pontoon, which further increases maneuverability, stability, and buoyancy.

This allows your pontoon boat to handle a more powerful motor (up to 300 HP) that will propel you through the water more quickly. Perfect for water sports fans!

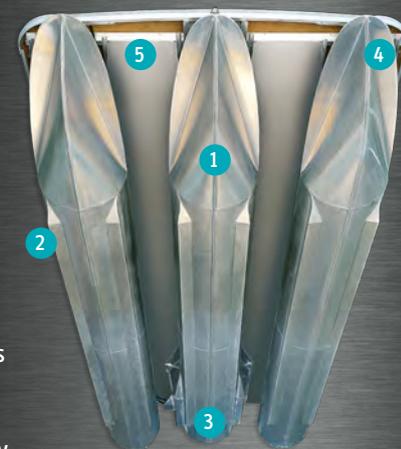

Available on the following models:

SVX 27	Vogue 23 XT	Vantage 25	Vantage 23-2RS
SVX 25	Vogue 23	Vantage 23 XT	Vantage 23
Vogue 25 XT	Vantage 25 XT	Vantage 23-4S	Vantage 21
Vogue 25	Vantage 25-4S		

More power, more speed:

The performance packages are the best choices for thrill fans!

## 5 FEATURES OF THE PERFORMANCE PACKAGE

- 1. A THIRD FULL-SIZED TUBE** lets you install a more powerful motor and improves stability, performance, and load capacity.
- 2. LIFTING STRAKES** reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.
- 3. HYDRAULIC STEERING** improves maneuverability at high speeds.
- 4. REINFORCED PRESSURE POINTS** on stress zones (e.g., tube noses) absorb more impact and pounding from waves.
- 5. AN UNDER-DECK SPRAY SHIELD** prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

## Insist on customized canvas tops and covers for your pontoon or deck boat.

As always, Princecraft's standard of quality ensures total satisfaction!

- Made exclusively with durable marine quality fabric
- Superior resistance to wear and tear
- Superior water repellence thanks to a transparent acrylic coating
- Precision fitted, high quality windows, zippers, and fasteners
- Custom design for a perfect fit in a snap
- Stows easily
- Color coordinated to match your pontoon or deck boat

### Half Camper Enclosure<sup>1</sup>

- Protects against the elements and can be used as a mooring cover
- Provides easy access to mid-ship area

### Trailer Cover<sup>1,3</sup>

- Protects against branches, rocks, and other hazards while travelling

#### WARNING

Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvases while boating.

### Quick-Release Bimini Latches<sup>2</sup>

- Let you fold the top down like a convertible awning for travelling or getting under bridges

<sup>1</sup> Available with some models.

<sup>2</sup> Available with SVX, Vogue, Vantage, and all deck boats.

<sup>3</sup> Full enclosure should not be used while engine or generator is running.

## Your custom-made, heavy duty Princecraft trailer follows you wherever you go to make your life easier!

### FOR PONTOONS

#### Painted, Bunk Style Single-Axle Trailers

- Available with Vectra 17, 19, and 19-2S as well as Brio 15, Brio<sup>e</sup> 15, and Brio<sup>e</sup> 17 models

#### Galvanized, Bunk Style, Simple-, Tandem-, or Triple-Axle Trailers<sup>4</sup>

- Designed for long distance travels
- Superior load capacity
- Brakes standard
- Motor pod support for frequent travels (optional)

#### Galvanized, Tandem-Axle, Scissor-Lift Trailers

- Convenient for shallow water
- Engineered to lift pontoon out of the water or off the ground
- Brakes standard

<sup>4</sup> Conversion kit required for pontoons equipped with a third tube.

### FOR DECK BOATS

#### Customized Trailers

- Custom-made to fit your boat's hull
- Composite fenders with built-in step pads
- Large radial tires
- Single or tandem axle, depending on boat size
- Heavy duty winch
- Load guides
- Black or galvanized
- Swing tongue
