PONTOONS AND DECK BOATS

A WORLD CLASS CREW BEHIND EVERY PRINCECRAFT BOAT

From the initial design to the final finishing touches, more than 200 people helped bring your Princecraft into being. Their work meets the highest standards of precision and quality. And their expertise is backed by 60 years of R&D aimed at offering boaters the best products on the market. That's why Princecraft pontoons and deck boats have always been unbeatable for comfort, durability, and performance. It's also the reason why year after year Princecraft owners continue to be so proud of their choice.

THE MANY ADVANTAGES OF PRINCECRAFT

Why choose a Princecraft?

**IF YOU'RE LOOKING FOR
A SMART INVESTMENT THAT
PROVIDES QUALITY, COMFORT,
AND PERFORMANCE, THE
CHOICE IS CLEAR. CHOOSE
A PRINCECRAFT.**

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

Our engineers know that reaching that goal means designing tough, reliable, and durable watercraft that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty of space and loads of comfort.

Why choose a Princecraft?
Because you'll never regret it.

Deck Boats

SOLID PERFORMANCE

Everything about our deck boats—the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish—is the result of painstaking attention to detail.

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

THE RESULT is a solid, high performing watercraft that is lightweight and astonishingly stable.

Ride a Wave of Advantages

- / Less maintenance than fiberglass boats
- / Better performance with lower fuel consumption
- / Tougher and more durable
- / Easier to tow
- / Easier to stay on plane at lower speeds
- / Higher resale value

Pontoons

BRILLIANTLY DESIGNED FROM START TO FINISH

QUIET PROPULSION

The V-shaped motor pod cuts engine noise and vibrations.

UNSINKABLE PONTOON TUBES

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity. Multiple airtight chambers make our pontoons virtually unsinkable. Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

STRONGER CORE STRUCTURE

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

AERODYNAMIC DOLPHIN NOSE

(SVX and Vogue Series only)

The extra long, reinforced bow breaks waves smoothly. Built-in splash guards on the tubes ensure a dry ride.

FULL-LENGTH KEELS FOR INCREASED STABILITY

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride—even in choppy water—and absorb bumps when landing on sandy or rocky beaches.

DURABLE, WATER-RESISTANT DECKS

Built with 2 cm (3/4") pressure-treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

For 2014, Princecraft launches 2 new models equipped with a Bar aft section that allows you to fully enjoy your pontoon. It's the perfect place to relax while having a great view of the inside of the pontoon as well as the outside.

- / Corner module allowing meals' preparation
- / Cooler storage under this module
- / Large counter space to eat or leave some finger food
- / 4 adjustable stools
- / Drink holders
- / Storage

The Bar aft section is offered on the Quorum 25 SE (Quorum Series) and on the Vogue 25 SE (Vogue Series).

DECK BOAT SECTION

VENTURA SERIES

It's not surprising that Ventura deck boats are so popular. They've got everything going for them—space, comfort, performance. And since they're made of H36 aluminum, the best marine-grade aluminum in the industry, they're more robust and durable than fiberglass boats and require much less maintenance. That's a real advantage that allows you to get out on the water more often and enjoy your boat to the max. While your guests take their places on the ultra-plush seats, slide into the ergonomic captain's chair, cast an appreciative glance over the dashboard's luxurious finish, and enjoy the feeling of power and freedom your Ventura deckboat provides.

Elegance Edition*

SVX Series

"I have the simplest tastes, I'm always satisfied with the best." If Oscar Wilde were alive today, he would surely entertain his guests aboard an SVX, the ultimate in luxury and sophistication. Along with sleek styling, a flawless finish, and myriad handy features, the SVX Series boasts top-end ergonomic seats your guests will sink into with a sigh. And to crank up the excitement, just start up the motor. Powerful, fast, and agile, SVX pontoon boats slice through the waves, offering your guests a truly memorable outing!

Vogue Series

Vogue models have been turning heads ever since their launch in 2013. And it's no wonder given their full-height extruded panels and the molded fore section with its integrated halogen docking lights and LED lighting system. Better yet, behind their unique design, lies extremely robust construction. Discover the Vogue Series today, with its Advanced Premium Styling (APS) design, exclusive to Princecraft.

Quorum Series

In the pleasure pontoon category, the new Quorum Series is perfect for those on the hunt for a versatile and fun boat that looks great and delivers the quality to match. Notice how its exterior tubular design softens its lines, admire the sophisticated upholstery, and enjoy the feeling as you step onto the swim platform covered in ultra-comfortable Infinity vinyl. The 25 SE model even boasts a bar, while the Elegance Edition option features a discreet LED lighting system to enhance the atmosphere in the evening.

Vantage Series

Sophisticated yet affordable Vantage pontoons offer great value for money and the same level of quality and durability as previous series. The carefully designed layout ensures that you can entertain family and friends in comfort at all times. Plus their performance and robust construction allows you and your guests to enjoy a broad range water sports to delight one and all.

Vectra Series

The Vectra Series is the perfect choice for enjoying the many aquatic activities available in your region. Practical and economical, our Vectra models deliver top-notch performance and are equipped with a host of amenities to meet your every need. And like all Princecraft boats, they have great resale value. Look through the following pages to find which model will be bringing you unforgettable memories for many summers to come.

Brio Series

Free as a breeze is the way you'll feel aboard a Brio! These light, compact pontoons can go just about anywhere, even where gas motors are prohibited. The electric version of the Brio^e has ingenious battery compartments that completely free up floor space, and a high-performance German-designed electric motor. Need more range? Just add solar panels. Whichever type of motor you choose, Brios are very easy to handle and tow.

Voyageur Series

Got plans? Then the Voyageur Series is for you! Voyageur's leaner pontoon configuration frees up space and provides you with maximum flexibility that's yours to take advantage of however you see fit: carrying building materials for your new hunting camp, camera equipment to capture that rare bird, camping gear to explore that intriguing little island you found... Designed and built for peace of mind, our Voyageur boats feature an integrated helm, a large bench seat for passengers, and loads of storage space.

Power and Speed CHOOSE WHAT'S RIGHT FOR YOU

Princecraft offers a number of performance configurations to ensure your pontoon boat is perfectly adapted to your needs.

Our advice: choose the one that will meet all your needs for years to come!

CLASSIC Configuration

These pontoon boats are equipped with a double pontoon, which provides stability, maneuverability, and a high degree of comfort for both driver and passengers. This configuration is perfect for outings with friends, fishing excursions, and long trips that do not require high speeds.

SPEED Package

Want to go faster, cover greater distances, or get from A to B more quickly?

Add lifting strakes to your 2-log pontoon boat. You'll increase your maximum speed by 25 to 30%.

Available on the following models:

- | | | | |
|-------------|--------------|----------------|--------------|
| Vogue 27 | Vogue 21 | Quorum 21 | Vectra 21-4S |
| Vogue 25 SE | Quorum 25 SE | Vantage 25-4S | Vectra 21-2S |
| Vogue 25 XT | Quorum 25 XT | Vantage 23-4S | Vectra 21 |
| Vogue 25 | Quorum 25 | Vantage 23-2RS | |
| Vogue 23 XT | Quorum 23 XT | Vectra 23 | |
| Vogue 23 | Quorum 23 | Vectra 21 XT | |

SPORT Package

Choose the perfect compromise between Speed and Performance Packages: adding bow central half third log and lifting strakes to reach speeds while having an affordable configuration.

This package allows a motor range from 90 up to 175 horsepower. Available on 21 thru 23 foot long pontoons (Vectra, Vantage, Quorum, and Vogue Series).

Available on the following models:

- | | | |
|--------------|----------------|--------------|
| Vogue 23 XT | Quorum 21 | Vectra 21-4S |
| Vogue 23 | Vantage 23-4S | Vectra 21-2S |
| Vogue 21 | Vantage 23-2RS | Vectra 21 |
| Quorum 23 XT | Vectra 23 | |
| Quorum 23 | Vectra 21 XT | |

PONTOON SPECIFICATIONS

PERFORMANCE PACKAGE

Includes 3rd log, aluminum under-deck spray shield, hydraulic steering system with tilt wheel, lifting strakes, 193 L (51 U.S. gal.) gas tank, and an in-floor storage compartment.

The in-floor storage compartment is not available on the following models:

Vogue 21, Quorum 21, Vantage 23-4S, and Vantage 23-2RS.

* NMMA (USA) / Manufacturer's Recommendations

PERFORMANCE Package

The Performance Package adds a third pontoon, which further increases maneuverability, stability, and buoyancy. This allows your pontoon boat to handle a more powerful motor (up to 300 HP) that will propel you through the water more quickly. Perfect for water sports fans!

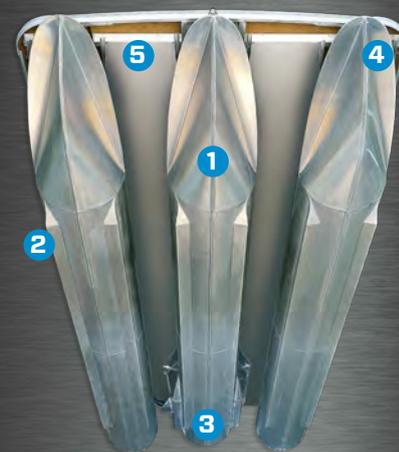

Available on the following models:

Vogue 27	Vogue 23 XT	Quorum 25 XT	Quorum 21
Vogue 25 SE	Vogue 23	Quorum 25	Vantage 25-4S
Vogue 25 XT	Vogue 21	Quorum 23 XT	Vantage 23-4S
Vogue 25	Quorum 25 SE	Quorum 23	Vantage 23-2RS

More power, more speed:

The Performance Package is the best choice for thrill fans!

5 FEATURES OF THE PERFORMANCE PACKAGE

- 1. A THIRD FULL-SIZED TUBE** lets you install a more powerful motor and improves stability, performance, and load capacity.
- 2. LIFTING STRAKES** reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.
- 3. HYDRAULIC STEERING** improves maneuverability at high speeds.
- 4. REINFORCED PRESSURE POINTS** on stress zones (e.g., tube noses) absorb more impact and pounding from waves.
- 5. AN UNDER-DECK SPRAY SHIELD** prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

Insist on customized canvas tops and covers for your pontoon or deck boat.

As always, Princecraft's standard of quality ensures total satisfaction!

- / Made exclusively with durable marine quality fabric
- / Superior resistance to wear and tear
- / Superior water repellence thanks to a transparent acrylic coating
- / Precision fitted, high quality windows, zippers, and fasteners
- / Custom design for a perfect fit in a snap
- / Stows easily

Half Camper Enclosure¹

- / Protects against the elements and can be used as a mooring cover
- / Provides easy access to mid-ship area

Full Camper Enclosure^{1,3}

- / Protects your interior from bad weather
- / Full length sun shade
- / Optional front, side, and aft "privacy" curtains

Trailer Cover

- / Protects against branches, rocks, and other hazards while traveling

WARNING

Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvas while boating.

Quick-Release Bimini Latches²

- / Let you fold the top down like a convertible awning for traveling or getting under bridges

¹ Available with some models.

² Available with SVX, Vogue, Quorum, Vantage, and all deck boats.

³ Full enclosure should not be used while engine or generator is running.

Your custom-made, heavy duty Princecraft trailer follows you wherever you go to make your life easier!

FOR DECK BOATS

Customized Trailers

- / Custom-made to fit your boat's hull
- / Composite fenders with built-in step pads
- / Large radial tires
- / Single or tandem axle, depending on boat size
- / Heavy duty winch
- / Load guides
- / Black or galvanized
- / Swing tongue

FOR PONTOONS

Galvanized, Tandem-Axle, Scissor-Lift Trailers

- / Convenient for shallow water
- / Engineered to lift pontoon out of the water or off the ground
- / Brakes standard

Painted, Bunk Style Single-Axle Trailers

- / Available with Vectra 17, 19, and 19-2S as well as Brio 15, Brio 15, and Brio 17 models

Galvanized, Bunk Style, Simple-, Tandem-, or Triple-Axle Trailers

- / Designed for long distance travels
- / Superior load capacity
- / Brakes standard
- / Possibility of adding motor pod support for pontoon equipped with the optional conversion kit for 3-log models

ALL PRINCECRAFT TRAILERS ARE NOW EQUIPPED WITH THIS SYSTEM

This ingenious system combines the advantages of grease and oil to create an ultra high performance lubricant. At room temperature, its viscosity is similar to that of grease. But as the bearings heat up, the lubricant becomes more fluid coating the bearings better to more effectively reduce friction and dissipate the heat generated during towing.

Each bearing is encased in a completely sealed, airtight, leak-proof, pressurized chamber.

Deck Boats*

/1. Port & starboard side rear swim platforms with built-in stainless steel boarding ladder /2. Ski tow post /3-4. Bolstered captain's chair /5. Brushed aluminum wakeboard towing tower & sun top package /6. Underwater lighting /7. Flush-mount halogen docking lights

Pontoons/Deck Boats*

/1. Pop-up privacy enclosure /2. Removable privacy enclosure /3. Inflatable bow filler cushion with 12 V DC or 120 V AC inflation pump, storage bag and patch kit /4. 160-watt AM/FM/Bluetooth Jensen Stereo with integrated auxiliary input (1/8") in console /5. 200-watt AM/FM/CD/Bluetooth Clarion Stereo compatible SAT with integrated USB plug and auxiliary input (1/8") in console /6. Tilt steering wheel /7. Pedestal mount rectangular snack table /8. SmartCraft™ instrumentation /9. Premium High Power/Sub Audio System /10-11. Chemical toilet /12. Stainless steel waterski tow bar /13. Console galley conversion /14. 12V, 12.7 cubic foot galley refrigerator /15. Hydraulic steering system with tilt wheel

* Please see features and accessories charts on pages 64 to 68 and our Website at princecraft.com for more details. Some accessories shown may not be available on all models.
