PONTOONS AND DECK BOATS

**PRINCECRAFT**

# BUILDING PRIDE

Princecraft is built on a tradition of teamwork between the people who research, design, assemble, and test our boats. Behind each hull and pontoon lies the power of a team dedicated to delivering quality and performance on a daily basis. Day after day, Princecraft proves that true quality is in the details, no matter what the boat. More than 200 workers have put their shoulders to the wheel to ensure you can take to the water in your pontoon boat or deck boat in complete safety. More and more consumers attest that Princecraft employees build more than just quality boats, they also build pride in those who own them.

# THE MANY ADVANTAGES OF PRINCECRAFT

## Why choose a Princecraft?

**IF YOU'RE LOOKING FOR  
A SMART INVESTMENT THAT  
PROVIDES QUALITY, COMFORT,  
AND PERFORMANCE, THE  
CHOICE IS CLEAR. CHOOSE  
A PRINCECRAFT.**

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

Our engineers know that reaching that goal means designing tough, reliable, and durable watercraft that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty of space and loads of comfort.

Why choose a Princecraft?  
Because you'll never regret it.

## Deck Boats

# SOLID PERFORMANCE

Everything about our deck boats—the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish—is the result of painstaking attention to detail.

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

**THE RESULT** is a solid, high performing watercraft that is lightweight and astonishingly stable.

## Ride a Wave of Advantages

- / Less maintenance than fiberglass boats
- / Better performance with lower fuel consumption
- / Tougher and more durable
- / Easier to tow
- / Easier to stay on plane at lower speeds
- / Higher resale value

# Pontoons

## BRILLIANTLY DESIGNED FROM START TO FINISH

### QUIET PROPULSION

The V-shaped motor pod cuts engine noise and vibrations.

### UNSINKABLE PONTOON TUBES

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity. Multiple airtight chambers make our pontoons virtually unsinkable. Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

### STRONGER CORE STRUCTURE

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

### AERODYNAMIC DOLPHIN NOSE

(Vogue Series and Performance package only)

The extra long, reinforced bow breaks waves smoothly. Built-in splash guards on the tubes ensure a dry ride.

### FULL-LENGTH KEELS FOR INCREASED STABILITY

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride—even in choppy water—and absorb bumps when landing on sandy or rocky beaches.

### DURABLE, WATER-RESISTANT DECKS

Built with 2 cm (3/4") pressure-treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

For 2015, Princecraft offers 3 models equipped with a Bar aft section that allows you to fully enjoy your pontoon. It's the perfect place to relax while having a great view of the inside of the pontoon as well as the outside.

- / Corner module allowing meals' preparation
- / Cooler storage under this module with a 12V outlet
- / Large counter space to eat or leave some finger food
- / 4 adjustable stools
- / Drink holders
- / Storage

The Bar aft section is offered on the Quorum 25 SE (Quorum Series) and on the Vogue 27 SE and Vogue 25 SE (Vogue Series).

# DECK BOAT SECTION

## VENTURA SERIES

The Ventura Series is known for its versatility, allowing you to enjoy the comfort and high performance of a boat that's perfect for an impressive number of activities. The Ventura does it all. Love water skiing? You'll love the Ventura's unbeatable traction power even more. Are fishing or cruising more your thing? The Ventura's stability and space are just what you're looking for. The ultra-plush seating, luxuriously finished dashboard, and strongest hull in the industry, made with H36 aluminum, will decide you once and for all. Is your heart beating a little faster? It's a sure sign that you're falling in love.

# PONTOON

## SECTION

**VECTRA 21** ▲  
*Shown in Black  
Classic Edition*

## Vogue Series

With a Vogue Series pontoon boat, you'll enjoy a host of technological and practical innovations. Designed and developed using Princecraft's Advanced Styling approach, its full height extruded panels and boldly molded fore section are proof that a boat must always be designed with the passenger in mind. One thing's for sure though, Vogue pontoon boats are built to provide you with lasting enjoyment.

## Quorum Series

What's the newest name in pleasure boating? Quorum. The series has been turning heads ever since its launch in 2014—and no wonder! The modern, tapered lines of the ten models in the series strike you immediately, even from afar. These pontoon boats' unique design and Infinity vinyl swim platforms make them true "perfect day" machines. The Elegance Edition features a LED lighting system for some glittering evenings, and the 25 SE model includes a lounge-bar area that your guests will love.

## Sportfisher LX and Sportfisher Series

It's the best of both worlds in the middle of a lake. Midway between a pleasure boat and a fishing boat, the Sportfisher never does things by halves. Imagine setting out, comfortably ensconced in a state-of-the-art seat—who said you can't take it easy from time to time? Now imagine a boat with livewells and seating specially designed for fishing. That's the boat's sports side. Sportfisher combines relaxing luxury with a host of practical fishing details. Your dream of a hybrid boat has finally come true!

## Vectra Series

Although the Vectra Series offers great value, these boats really make waves out on the water. The four models in the series combine performance, versatility, and a wide choice of amenities to ensure you get the most out of your boating season. Since all the feedback on the Vectra Series has been sparkingly good, these pontoon boats have great resale value. Vectra, a true catalyst for exciting moments on your favorite lake or river.

## Brio Series

The Brio's smart design shines, even when the sun doesn't. In this era of sustainable thinking, Princecraft has once again demonstrated its commitment to protecting the environment by creating an electric pontoon boat equipped with a German-designed, state-of-the-art motor. So a Brio can go just about anywhere, even where gas motors are prohibited, but doesn't compromise on space or power. The Brio's ingenious battery compartments maximize comfort and available space. Plus we've made it lighter for easier handling. Who knew going green could be this much fun.

## Voyageur Series

According to a Tibetan proverb, "a voyage is a return to life's essentials." And that's just what the Voyageur Series is all about. In designing this pontoon boat, with its leaner configuration, we've gotten back to the basics: integrated console, large passenger bench, and TONS of storage space. The Voyageur Series offers great versatility and all the space you need for what really counts. Whatever the project, the Voyageur is up to the challenge. Its simplicity, durability, and impressive load capacity will astound you. You have plans, we help you carry them out!

*Power and Speed*  
**CHOOSE WHAT'S  
 RIGHT FOR YOU**

Princecraft offers a number of performance configurations to ensure your pontoon boat is perfectly adapted to your needs.

Our advice: choose the one that will meet all your needs for years to come!

**CLASSIC**  
 Configuration

These pontoon boats are equipped with a double pontoon, which provides stability, maneuverability, and a high degree of comfort for both driver and passengers. This configuration is perfect for outings with friends, fishing excursions, and long trips that do not require high speeds.

The Classic Configuration is offered by default on all models.

**SPEED**  
 Package

Want to go faster, cover greater distances, or get from A to B more quickly?

Add lifting strakes to your 2-log pontoon boat. You'll increase your maximum speed by 25 to 30%.

Available on the following models:

- |             |              |              |                       |
|-------------|--------------|--------------|-----------------------|
| Vogue 27 SE | Vogue 23     | Quorum 25    | Sportfisher LX 25-4S  |

**SPORT**  
 Package

Choose the perfect compromise between Speed and Performance Packages: adding bow central half third log and lifting strakes to reach speeds while having an affordable configuration.

This package allows a motor range from 90 up to 175 horsepower. Available on 21 thru 23 foot long pontoons (Vectra, Sportfisher, Sportfisher LX, Quorum, and Vogue Series).

Available on the following models:

- |              |                       |                   |

# PERFORMANCE Package

The Performance Package adds a third pontoon, which further increases maneuverability, stability, and buoyancy. This allows your pontoon boat to handle a more powerful motor (up to 300 HP) that will propel you through the water more quickly. Perfect for water sports fans!

## Available on the following models:

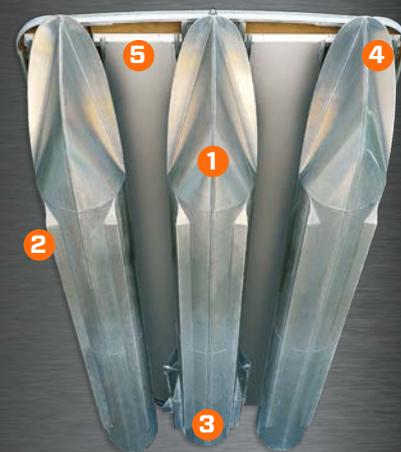

Vogue 27 SE	Vogue 23	Quorum 25 SS	Quorum 23
Vogue 27	Vogue 21	Quorum 25	Quorum 21
Vogue 25 SE	Quorum 25 SE	Quorum 23 XT	Sportfisher LX 25-4S
Vogue 25 XT	Quorum 25 XT	Quorum 23 LT	Sportfisher LX 23-4S
Vogue 25	Quorum 25 LT	Quorum 23 SS	Sportfisher LX 23-2RS
Vogue 23 XT			

More power, more speed:

The Performance Package is the best choice for thrill fans!

## 5 FEATURES OF THE PERFORMANCE PACKAGE

- 1. A THIRD FULL-SIZED TUBE** lets you install a more powerful motor and improves stability, performance, and load capacity.
- 2. LIFTING STRAKES** reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.
- 3. HYDRAULIC STEERING** improves maneuverability at high speeds.
- 4. REINFORCED PRESSURE POINTS** on stress zones (e.g., tube noses) absorb more impact and pounding from waves.
- 5. AN UNDER-DECK SPRAY SHIELD** prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

# Insist on customized canvas tops and covers for your pontoon or deck boat.

As always, Princecraft's standard of quality ensures total satisfaction!

- / Made exclusively with durable marine quality fabric
- / Superior resistance to wear and tear
- / Superior water repellence thanks to a transparent acrylic coating
- / Precision fitted, high quality windows, zippers, and fasteners
- / Custom design for a perfect fit in a snap
- / Stows easily

## Half Camper Enclosure<sup>1</sup>

- / Protects against the elements and can be used as a mooring cover
- / Provides easy access to mid-ship area

## Full Camper Enclosure<sup>1,3</sup>

- / Protects your interior from bad weather
- / Optional front, side, and aft "privacy" curtains

## Trailer Cover

- / Protects against branches, rocks, and other hazards while traveling

## Quick-Release Bimini Latches<sup>2</sup>

- / Let you fold the top down like a convertible awning for traveling or getting under bridges

### WARNING

Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvas while boating.

<sup>1</sup> Available with some models.

<sup>2</sup> Available with Vogue, Quorum, Sportfisher LX, and all deck boats.

<sup>3</sup> Full enclosure should not be used while engine or generator is running.

# Your custom-made, heavy duty Princecraft trailer follows you wherever you go to make your life easier!

## FOR DECK BOATS

### Customized Trailers

- / Custom-made to fit your boat's hull
- / Composite fenders with built-in step pads
- / Large radial tires
- / Single or tandem axle, depending on boat size
- / Heavy duty winch
- / Load guides
- / Black or galvanized
- / Swing tongue

## FOR PONTOONS

### Galvanized, Tandem-Axle, Scissor-Lift Trailers

- / Convenient for shallow water
- / Engineered to lift pontoon out of the water or off the ground
- / Brakes standard

### Painted, Bunk Style Single-Axle Trailers

- / Available with Vectra 17, 19, and Sportfisher 19-25 as well as Brio 15, Brio 15, and Brio 17 models

### Galvanized, Bunk Style, Simple-, Tandem-, or Triple-Axle Trailers

- / Designed for long distance travels
- / Superior load capacity
- / Brakes standard
- / Possibility of adding motor pod support for pontoon equipped with the optional conversion kit for 3-log models

## ALL PRINCECRAFT TRAILERS ARE NOW EQUIPPED WITH THIS SYSTEM

This ingenious system combines the advantages of grease and oil to create an ultra high performance lubricant. At room temperature, its viscosity is similar to that of grease. But as the bearings heat up, the lubricant becomes more fluid coating the bearings better to more effectively reduce friction and dissipate the heat generated during towing.

Each bearing is encased in a completely sealed, airtight, leak-proof, pressurized chamber.

## Deck Boats\*

/1. Port & starboard side rear swim platforms with built-in stainless steel boarding ladder /2. Ski tow post /3-4. Bolstered captain's chair /5. Brushed aluminum wakeboard towing tower & sun top package /6. Underwater lighting /7. Flush-mount halogen docking lights /8. Pop-up privacy enclosure /9. 200-watt AM/FM/CD/Bluetooth Clarion® Stereo compatible SAT with integrated USB plug and auxiliary input (1/8")

## Pontoons/Deck Boats\*

/1. Removable privacy enclosure /2. Inflatable bow filler cushion with 12V DC or 120V AC inflation pump, storage bag and patch kit /3. 160-watt AM/FM/Bluetooth Jensen® Stereo with integrated auxiliary input (1/8") in console /4. Tilt steering wheel /5. Pedestal mount rectangular table /6. SmartCraft™ instrumentation /7. Premium High Power/Sub Audio System /8-9. Chemical toilet /10. Stainless steel waterski tow bar /11. Console galley conversion (sink, faucet, electric pump, and water tank) /12. Hydraulic steering system with tilt wheel

\* Please see features and accessories charts on pages 64 to 68 and our Website at [princecraft.com](http://princecraft.com) for more details. Some accessories shown may not be available on all models.
