PONTOONS AND DECK BOATS

PRINCECRAFT®

# STRONG AND DURABLE, IT'S A PRINCECRAFT

For fun on the water, nothing beats a Princecraft. For over 60 years, Princecraft has been the first choice of true nature lovers. Whether you're a new Princecraft owner or a loyal follower for many years, it's the quality and durability of our boats that count. You're one of the many for whom "It's a Princecraft or nothing." Your dream of freedom starts here: from our researchers, designers, developers, assemblers, and testers to you.

Pontoon & Deck Boat advantages . . . . . 22

# THE MANY ADVANTAGES OF PRINCECRAFT

## Why choose a Princecraft?

IF YOU'RE LOOKING FOR  
A SMART INVESTMENT THAT  
PROVIDES QUALITY, COMFORT,  
AND PERFORMANCE, THE  
CHOICE IS CLEAR. CHOOSE  
A PRINCECRAFT.

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

Our engineers know that reaching that goal means designing tough, reliable, and durable watercraft that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty of space and loads of comfort.

Why choose a Princecraft?  
Because you'll never regret it.

## Deck Boats

# SOLID PERFORMANCE

Everything about our deck boats—the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish—is the result of painstaking attention to detail.

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

**THE RESULT** is a solid, high performing watercraft that is lightweight and astonishingly stable.

## Ride a Wave of Advantages

- / Less maintenance than fiberglass boats
- / Better performance with lower fuel consumption
- / Tougher and more durable
- / Easier to tow
- / Easier to stay on plane at lower speeds
- / Higher resale value

# Pontoons

## BRILLIANTLY DESIGNED FROM START TO FINISH

### QUIET PROPULSION

The V-shaped motor pod cuts engine noise and vibrations.

### UNSINKABLE PONTOON TUBES

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity. Multiple airtight chambers make our pontoons virtually unsinkable. Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

### STRONGER CORE STRUCTURE

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

### AERODYNAMIC DOLPHIN NOSE

(On Vogue Series and Performance Configuration only)

The extra long, reinforced bow breaks waves smoothly. Built-in splash guards on the tubes ensure a dry ride.

### FULL-LENGTH KEELS FOR INCREASED STABILITY

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride—even in choppy water—and absorb bumps when landing on sandy or rocky beaches.

### DURABLE, WATER-RESISTANT DECKS

Built with 2 cm (3/4") pressure-treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

For 2016, Princecraft offers 4 models equipped with a Bar aft section that allows you to fully enjoy your pontoon. It's the perfect place to relax while having a great view of the inside of the pontoon as well as the outside.

- / Corner module allowing meals' preparation
- / Cooler storage under this module with a 12V outlet (Quorum 25 SE and Vogue 25 SE only)
- / 12V refrigerator and storage under the rear corner module (on Vogue 27 SE and Vogue 29 SE only)
- / Large counter space to eat or leave some finger food
- / 4 adjustable stools
- / Drink holders
- / Storage

The Bar aft section is offered on the Quorum Series (Quorum 25 SE) and on the Vogue Series (Vogue 25 SE, 27 SE, and 29 SE.)

# VENTURA

220 WS AND 190

▲ VENTURA 190

## KEY STANDARD FEATURES

- High performance deep-Vee reverse chine hull design
- In-floor anchor and ski storage compartments
- No-FeedBack™ dual cable steering system
- Full-width rear padded sun deck
- Dash panel with lighted switches
- 160-watt AM/FM/Bluetooth Jensen® Stereo with integrated auxiliary input (1/8") in console, including 4 waterproof speakers
- Side panel rigging tubes (from stern to console and console to bow)
- Built-in floor cooler
- Pedestal mount stern removable snack table with drink holders
- Bucket seat captain's chair on slide and swivel
- Stern boarding ladder

### VENTURA 220 WS

- Twin consoles with walk-thru curved tempered glass windshield with door
- Port console with integrated entertainment center including ice chest and storage underneath

### VENTURA 190

- Helm console with glove box
- Quick release smoked windscreen

VENTURA 190 ▲

VENTURA 220 WS ▲

1. Optional port and starboard side rear swim platforms with stainless steel boarding ladder
2. Optional stainless steel waterski tow bar
3. Full-width rear padded sundeck
4. Color coordinated deluxe upholstery
5. Large storage space under all lounges
6. Interior lighting

*Power and Speed*  
**CHOOSE WHAT'S  
 RIGHT FOR YOU**

Princecraft offers a number of performance configurations to ensure your pontoon boat is perfectly adapted to your needs.

Our advice: choose the one that will meet all your needs for years to come!

**CLASSIC**  
 Configuration

These pontoon boats are equipped with a double pontoon, which provides stability, maneuverability, and a high degree of comfort for both driver and passengers. This configuration is perfect for outings with friends, fishing excursions, and long trips that do not require high speeds.

The Classic Configuration is offered by default on all models. (except for Vogue 29 SE, Vogue 27 SE, and Vogue 27)

**SPEED**  
 Configuration

Want to go faster, cover greater distances, or get from A to B more quickly?

Add lifting strakes to your 2-log pontoon boat. You'll increase your maximum speed by 25 to 30%.

Available on all models except:

- |                   |           |             |

**SPORT**  
 Configuration

Choose the perfect compromise between Speed and Performance Configurations: adding bow central half third log and lifting strakes to reach speeds while having an affordable configuration.

This configuration allows a motor range from 90 up to 175 horsepower. Available on 21 thru 23 foot long pontoons (Vectra, Sportfisher, Sportfisher LX, Quorum, and Vogue Series).

Available on the following models:

- |              |                      |                   |
|--------------|----------------------|-------------------|
| Vogue 23 XT  | Quorum 23            | Sportfisher 21-4S |
| Vogue 23     | Quorum 21            | Sportfisher 21-2S |
| Quorum 23 XT | Sportfisher LX 23-4S | Vectra 23 XT      |
| Quorum 23 LT | Sportfisher 23-2RS   | Vectra 23         |
| Quorum 23 SS | Sportfisher 23-2S    | Vectra 21         |

# PONTOON SPECIFICATIONS

## PERFORMANCE CONFIGURATION

Includes 3rd log, aluminum under-deck spray shield, lifting strakes, 197 L (52 U.S. gal.) gas tank, and an in-floor storage compartment.

*The in-floor storage compartment is not available on the following models:*

Quorum 21  
Sportfisher LX 23-4S

Performance Configuration is offered by default on Vogue 29 SE, Vogue 27 SE, and Vogue 27.

\* NMMA (USA) / Manufacturer's Recommendations

## PERFORMANCE Configuration

The Performance Configuration adds a third pontoon, which further increases maneuverability, stability, and buoyancy. This allows your pontoon boat to handle a more powerful motor (up to 400 HP) that will propel you through the water more quickly. Perfect for water sports fans!

Available on all Series except:

Sportfisher Series  
Vectra Series  
Jazz Series

Brio Series  
Voyageur Series

More power, more speed:  
The Performance Configuration is the best choice for thrill fans!

## 5 FEATURES OF THE PERFORMANCE CONFIGURATION

- 1. A THIRD FULL-SIZED tube** lets you install a more powerful motor and improves stability, performance, and load capacity.
- 2. LIFTING STRAKES** reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.
- 3. HYDRAULIC STEERING** improves maneuverability at high speeds.
- 4. REINFORCED PRESSURE POINTS** on stress zones (e.g., tube noses) absorb more impact and pounding from waves.
- 5. AN UNDER-DECK SPRAY SHIELD** prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

# Insist on customized canvas tops and covers for your pontoon or deck boat.

As always, Princecraft's standard of quality ensures total satisfaction!

- / Made exclusively with durable marine quality fabric
- / Superior resistance to wear and tear
- / Superior water repellence thanks to a transparent acrylic coating
- / Precision fitted, high quality windows, zippers, and fasteners
- / Custom design for a perfect fit in a snap
- / Stows easily

## Half Camper Enclosure<sup>1</sup>

- / Protects against the elements and can be used as a mooring cover
- / Provides easy access to mid-ship area

## Full Camper Enclosure<sup>1,3</sup>

- / Protects your interior from bad weather
- / Optional front, side, and aft "privacy" curtains

## Trailer Cover

- / Protects against branches, rocks, and other hazards while traveling

## Quick-Release Bimini Latches<sup>2</sup>

- / Let you fold the top down like a convertible awning for traveling or getting under bridges

**WARNING**  
Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvas while boating.

<sup>1</sup> Available with some models.  
<sup>2</sup> Available with Vogue, Quorum, Sportfisher LX, and all deck boats.  
<sup>3</sup> Full enclosure should not be used while engine or generator is running.

# Your custom-made, heavy duty Princecraft trailer follows you wherever you go to make your life easier!

## FOR DECK BOATS

### Customized Trailers

- / Custom-made to fit your boat's hull
- / Composite fenders with built-in step pads
- / Large radial tires
- / Single or tandem axle, depending on boat size
- / Heavy duty winch
- / Load guides
- / Black or galvanized
- / Swing tongue

## FOR PONTOONS

### Galvanized, Tandem-Axle, Scissor-Lift Trailers

- / Convenient for shallow water
- / Engineered to lift pontoon out of the water or off the ground
- / Standard brakes

### Painted, Bunk Style Single-Axle Trailers

- / Available with Sportfisher 19-2S, Vectra 19, Vectra 17, Jazz 180, Brio<sup>®</sup> 15, and Brio<sup>®</sup> 17 models

### Galvanized, Bunk Style, Simple-, Tandem-, or Triple-Axle Trailers

- / Designed for long distance travels
- / Superior load capacity
- / Standard brakes
- / Possibility of adding an optional conversion kit for 3-log pontoon models

## ALL PRINCECRAFT TRAILERS ARE NOW EQUIPPED WITH THIS SYSTEM

This ingenious system combines the advantages of grease and oil to create an ultra high performance lubricant. At room temperature, its viscosity is similar to that of grease. But as the bearings heat up, the lubricant becomes more fluid coating the bearings better to more effectively reduce friction and dissipate the heat generated during towing.

Each bearing is encased in a completely sealed, airtight, leak-proof, pressurized chamber.

## Deck Boats\*

/1. Port & starboard side rear swim platforms with built-in stainless steel boarding ladder /2. Ski tow post /3-4. Bolstered captain's chair /5. Brushed aluminum wakeboard towing tower & sun top package /6. Underwater lighting /7. Flush-mount halogen docking lights /8. Pop-up privacy enclosure /9. 200-watt AM/FM/CD/Bluetooth Clarion® Stereo compatible SAT with integrated USB plug and auxiliary input (1/8") in console

## Pontoons/Deck Boats\*

/1. Inflatable bow filler cushion with 12V DC or 120V AC inflation pump, storage bag and patch kit /2. Tilt steering wheel /3. 160-watt AM/FM/Bluetooth Jensen® Stereo with integrated auxiliary input (1/8") in console /4. Premium High Power/Sub Audio System /5. Pedestal mount rectangular table /6. SmartCraft™ instrumentation /7-8. Chemical toilet /9. Stainless steel waterski tow bar /10. Console galley conversion (sink, faucet, electric pump, and water tank) /11. Hydraulic steering system with tilt wheel
