THE GOOD TIMES START HERE.

From boat R&D through to design and testing, there is one thing we always keep in mind as Canadian boat builders: the importance of giving you unforgettable good times. For close to 65 years, we've been pushing harder every day to bring you solid boats built to last—just like your memories on the water.

With our innovative ideas, attention to detail, and dedication to your needs, you'll enjoy boating in total peace of mind. All you have to do is take a seat and let us meet your every need so you can focus on having a good time.

WHY CHOOSE A PRINCECRAFT®?

IF YOU'RE LOOKING FOR A SMART INVESTMENT THAT PROVIDES QUALITY, COMFORT, AND PERFORMANCE, THE CHOICE IS CLEAR. CHOOSE A PRINCECRAFT®.

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

Our engineers know that reaching that goal means designing tough, reliable, and durable watercraft that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty of space and loads of comfort.

WHY CHOOSE A PRINCECRAFT®?

BECAUSE YOU'LL NEVER REGRET IT.

RIDE A WAVE OF ADVANTAGES

- ▶ Less maintenance than fiberglass boats
- ▶ Better performance with lower fuel consumption
- ▶ Tougher and more durable
- ▶ Easier to tow
- ▶ Easier to stay on plane at lower speeds
- ▶ Higher resale value

Pontoons

BRILLIANTLY DESIGNED FROM START TO FINISH

★ QUIET PROPULSION

The V-shaped motor pod cuts engine noise and vibrations.

★ UNSINKABLE PONTOON TUBES

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity. Multiple airtight chambers make our pontoons virtually unsinkable. Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

★ STRONGER CORE STRUCTURE

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

★ AERODYNAMIC DOLPHIN NOSE

(On Vogue Series and Performance Configuration only)

The extra long, reinforced bow breaks waves smoothly. Built-in splash guards on the tubes ensure a dry ride.

★ FULL-LENGTH KEELS FOR INCREASED STABILITY

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride—even in choppy water—and absorb bumps when landing on sandy or rocky beaches.

★ DURABLE, WATER-RESISTANT DECKS

Built with 2 cm (3/4") pressure-treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

Deck Boats

SOLID PERFORMANCE

Everything about our deck boats—the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish—is the result of painstaking attention to detail.

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

THE RESULT is a solid, high performing watercraft that is lightweight and astonishingly stable.

VOGUE SERIES

This popular Princecraft® Series is getting a fresh and exciting facelift in 2018! With its redesigned profile, optimized console, next-generation touch screens, selection of bold sport and classic colors, the Vogue is sure to be more in vogue than ever on the waterways this summer!

QUORUM SERIES

A Quorum for every type of pleasure boater! With no fewer than seven models, the Quorum Series is sure to have something to fit your personality! The 2018 edition is even more distinguished with its metallic black accents and the 25 RL multipurpose model with sleeping area, picnic table, and lounge chairs! And as always, for swimmers each and every Quorum model is nothing short of legendary!

SPORTFISHER LX SERIES

With a name like this, you know what the Series is all about. The significantly sportier Sportfisher LX features smart spaces sure to make any angler's dreams come true. Large livewells and seats adapted to fishing go hand in hand with a high end finish and design made for cruising and long days of fishing out on the water!

SPORTFISHER SERIES

Picture a fishing boat magically transformed into a powerful pontoon boat. In the Sportfisher Series, the magic is real! Princecraft® has deftly combined the best features of both boat types to create a perfectly calibrated hybrid that delivers the luxury of pontoon cruising and the excitement of fishing!

PONTOON SERIES

VECTRA SERIES

Your Vectra pontoon is more than just perfect for you, it's also the perfect blend of power and versatility. Choosing a Vectra means choosing the boat that offers the best value on the market. And the wide selection of options and amenities on offer is sure to satisfy even the most sophisticated of needs!

JAZZ SERIES

You're closer to your dream than you think! The Jazz Series is all about giving pleasure boaters a whole lot more, with luxuriously appointed boats that are carefully designed for all your activities. But most of all, with the Jazz Series, you get ultracomfortable spaces at a very attractive price.

BRIO® SERIES

This year, you'll be cruising on sunshine with Brio! Energy-efficient, quiet, and powerful, this boat is an increasingly popular choice in 2018 for anyone who wants to do their part for the nature surrounding them. Brio gives you lots of space and a high-tech 100% electric motor.

VOYAGEUR SERIES

After a quick trip to the drawing board, the Voyageur Series is back and completely redesigned in 2018! Princecraft® now offers all the power of the Voyageur in 21-, 23-, 25-, and 27-foot models! Its roomy deck and serious cargo space will be a hit with anyone looking to transport 4-wheelers, ATVs, and any other oversized items!

Power and Speed

CHOOSE WHAT'S RIGHT FOR YOU

Princecraft® offers a number of Performance Configurations to ensure your pontoon boat is perfectly adapted to your needs.

Our advice: choose the one that will meet all your needs for years to come!

CLASSIC Configuration

These pontoon boats are equipped with a double pontoon, which provides stability, maneuverability, and a high degree of comfort for both driver and passengers. This configuration is perfect for outings with friends, fishing excursions, and long trips that do not require high speeds.

The Classic Configuration is offered by default on all models except Vogue 29 SE, Vogue 29 XT, Vogue 27 SE, Vogue 27 XT, Vogue 27, and Voyageur 27.

SPEED Configuration

Want to go faster, cover greater distances, or get from A to B more quickly?

Add lifting strakes to your 2-log pontoon boat. You'll increase your maximum speed by 25 to 30%.

SPORT Configuration

Choose the perfect compromise between Speed and Performance

Configurations: adding bow central half third log and lifting strakes to reach speeds while having an affordable configuration. This configuration allows a motor range from 90 up to 200 horsepower. Available on 21 thru 25 foot long pontoons (Vectra, Sportfisher, Sportfisher LX, Quorum, and Vogue Series).

Available on all models except:

- | | | |
|-------------|-------------------|-----------------|
| Vogue 29 SE | Vogue 27 | Jazz Series |
| Vogue 29 XT | Sportfisher 19-2S | Brio® Series |
| Vogue 27 SE | Vectra 19 | Voyageur Series |
| Vogue 27 XT | Vectra 17 | |

Available on all models except:

- | | | |
|-------------|-------------------|-----------------|
| Vogue 29 SE | Vogue 27 | Jazz Series |
| Vogue 29 XT | Sportfisher 19-2S | Brio® Series |
| Vogue 27 SE | Vectra 19 | Voyageur Series |
| Vogue 27 XT | Vectra 17 | |

PERFORMANCE Configuration

The Performance Configuration adds a third pontoon, which further increases maneuverability, stability, and buoyancy.

This allows your pontoon boat to handle a more powerful motor (up to 400 HP) that will propel you through the water more quickly. Perfect for water sports fans!

Available on all models except:

Sportfisher Series Brio® Series
Vectra Series Voyageur 21
Jazz Series

MORE POWER, MORE SPEED:

The Performance Configuration is the best choice for thrill fans!

Pontoon Specifications

PERFORMANCE CONFIGURATION

Includes 3rd log, aluminum under-deck spray shield, lifting strakes, 185 L (49 U.S. gal.) gas tank, and an in-floor storage compartment.

The in-floor storage compartment is not available on the following models:

Sportfisher LX 23-4S and Voyageur Series

The Performance Configuration is offered by default on the following models:

Vogue 29 SE, Vogue 29 XT, Vogue 27 SE, Vogue 27 XT, Vogue 27, and Voyageur 27.

	Approximate Weight	Maximum HP Capacity*	Maximum Weight Capacity*	Maximum Weight Person Capacity*	Maximum Person Capacity*

* NMMA (USA)/Manufacturer's Recommendations

5 FEATURES OF THE PERFORMANCE CONFIGURATION

1. A THIRD FULL-SIZED TUBE LETS YOU INSTALL a more powerful motor and improves stability, performance, and load capacity.

2. LIFTING STRAKES reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.

3. HYDRAULIC STEERING improves maneuverability at high speeds.

4. REINFORCED PRESSURE POINTS on stress zones (e.g., tube noses) absorb more impact and pounding from waves.

5. AN UNDER-DECK SPRAY SHIELD prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

Insist on customized canvas tops and covers for your pontoon or deck boat.

AS ALWAYS, PRINCECRAFT®'S STANDARD OF QUALITY ENSURES TOTAL SATISFACTION!

- ▶ Made exclusively with durable marine quality fabric
- ▶ Superior resistance to wear and tear
- ▶ Superior water repellence thanks to a transparent acrylic coating
- ▶ Precision fitted, high quality windows, zippers, and fasteners
- ▶ Custom design for a perfect fit in a snap
- ▶ Stows easily

Half Camper Enclosure¹

- ▶ Protects against the elements and can be used as a mooring cover
- ▶ Provides easy access to mid-ship area

Full Camper Enclosure¹

- ▶ Protects your interior from bad weather
- ▶ Optional front, side, and aft "privacy" curtains

Trailer Cover

- ▶ Protects against branches, rocks, and other hazards while traveling

Quick-Release Bimini Latches²

- ▶ Let you fold the top down like a convertible awning for traveling or getting under bridges

WARNING

Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvas while boating.

1 Available with some models.

2 Available with Vogue, Quorum, Sportfisher LX, and all deck boats.

Your custom-made, heavy duty Princecraft® trailer follows you wherever you go to make your life easier!

FOR DECK BOATS

CUSTOMIZED TRAILERS

- ▶ Custom-made to fit your boat's hull
- ▶ Composite fenders with built-in step pads
- ▶ Large radial tires
- ▶ Single or tandem axle, depending on boat size
- ▶ Heavy duty winch
- ▶ Load guides
- ▶ Black or galvanized
- ▶ Swing tongue

ALL PRINCECRAFT® TRAILERS ARE NOW EQUIPPED WITH THIS SYSTEM

This ingenious system combines the advantages of grease and oil to create an ultra high performance lubricant. At room temperature, its viscosity is similar to that of grease. But as the bearings heat up, the lubricant becomes more fluid coating the bearings better to more effectively reduce friction and dissipate the heat generated during towing.

Each bearing is encased in a completely sealed, airtight, leak-proof, pressurized chamber.

GALVANIZED, TANDEM-AXLE, SCISSOR-LIFT TRAILERS

- ▶ Convenient for shallow water
- ▶ Engineered to lift pontoon out of the water or off the ground
- ▶ Standard brakes

PAINTED, BUNK STYLE SINGLE-AXLE TRAILERS

- ▶ Available with Sportfisher 19-2S, Vectra 17, Vectra 19, Jazz 210-2S, Jazz 190, Jazz 170, Brio e15, and Brio e17 models

GALVANIZED, BUNK STYLE, SIMPLE-, TANDEM-, OR TRIPLE-AXLE TRAILERS

- ▶ Designed for long distance travels
- ▶ Superior load capacity
- ▶ Standard brakes
- ▶ Possibility of adding an optional conversion kit for 3-log pontoon models

Mercury® outboards. www.mercurymarine.com

PLEASE READ CAREFULLY: Dimensions, capacities, ratings, and additional specifications, plus complete warranty and service information, are available from your Princecraft® dealer. Product illustrations and data within this catalog are based upon information available at the time of publication. Not all accessories shown in pictures or described herein are standard equipment or even available as options. Specification measurements are approximations and subject to variance. Because Princecraft® is dedicated to constant product improvements, Princecraft® reserves the right to make changes without prior notice or obligation. Not all model year boats may contain all of the features or meet the specifications described herein. Ask your Princecraft® dealer for the most current product specifications prior to purchase. Some of the equipment shown separately or on products illustrated in this catalog may be optional at extra cost. Options and features are subject to change without notice. Princecraft® is a member in good standing of the National Marine Manufacturers Association (NMMA) USA and Canada. All boats comply with Canadian Coast Guard and U.S. Coast Guard regulations. All Princecraft® boats are in compliance with NMMA's Boat Certification Program. Attwood™ is a registered trademark of Attwood Corporation.
