DREAM BIG. TAKE THE HELM.

1954. A dream is born. To make top quality boats. To build watercrafts that exceed industry standards—and give boat lovers even more than they ever imagined.

For 65 years, with more than 325 visionaries at work, we've been pursuing that dream. A dream that continues to evolve every day.

Because we want your boating experience to be the best it can be.
Because we think big for our entire industry.
Because Princecraft® is also you.

WHY CHOOSE A PRINCECRAFT®?

If you're looking for a smart investment that provides quality, comfort, and performance, the choice is clear. Choose a Princecraft®.

We design all our pontoons and deck boats with the same goal — making sure you have a great time out on the water.

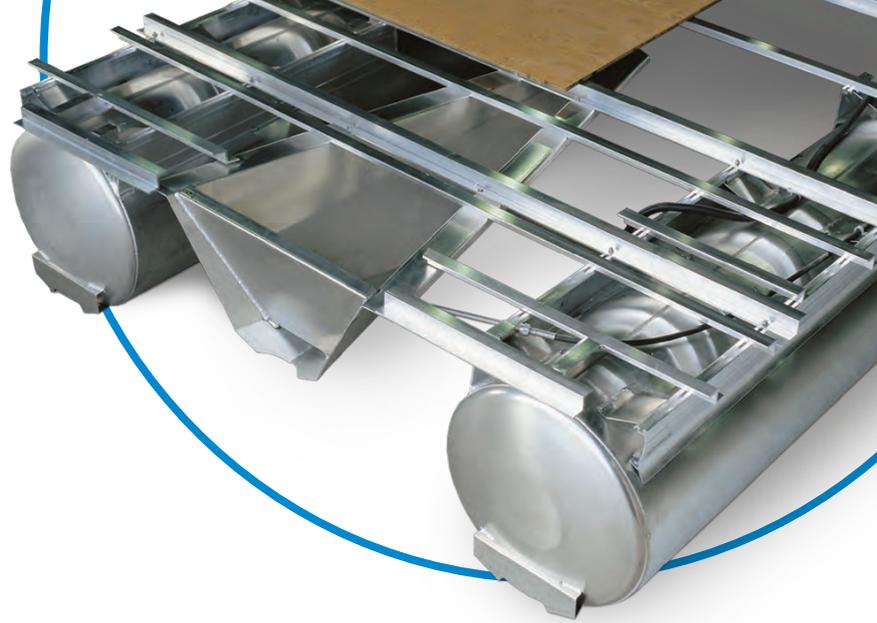

Our engineers know that reaching that goal means designing tough, reliable, and durable watercrafts that provide total dependability and peace of mind. It also means ensuring that everyone on board always has plenty of space and loads of comfort.

Why choose a Princecraft®?
Because you'll never regret it.

RIDE A WAVE OF ADVANTAGES

- › Less maintenance than fiberglass boats
- › Better performance with lower fuel consumption
- › Tougher and more durable
- › Easier to tow
- › Easier to stay on plane at lower speeds
- › Higher resale value

PONTOONS BRILLIANTLY DESIGNED FROM START TO FINISH

★ QUIET PROPULSION

The V-shaped motor pod cuts engine noise and vibrations.

★ UNSINKABLE PONTOON TUBES

The toughest marine grade aluminum alloy available (5052-H36) provides better load capacity. Multiple airtight chambers make our pontoons virtually unsinkable. Each chamber is subjected to strict pressure checks to ensure our pontoons provide maximum safety.

★ STRONGER CORE STRUCTURE

Extruded aluminum M-brackets and Z-bars are tougher and more reliable, creating exceptionally high performing frame and core structure.

★ AERODYNAMIC DOLPHIN NOSE

(On Vogue Series and Performance Configuration only)

The extra long, reinforced bow breaks waves smoothly. Built-in splash guards on the tubes ensure a dry ride.

★ FULL-LENGTH KEELS FOR INCREASED STABILITY

Full-length, extruded aluminum keels on the tubes guarantee a smooth ride—even in choppy water—and absorb bumps when landing on sandy or rocky beaches.

★ DURABLE, WATER-RESISTANT DECKS

Built with 2 cm (3/4") pressure-treated plywood and backed by our limited lifetime warranty, our decks are designed to last for years.

DECK BOATS SOLID PERFORMANCE

Everything about our deck boats—the exceptional design, assembly, welding, riveting, precise adjustments, series of tests they undergo, and flawless finish—is the result of painstaking attention to detail.

Plus, they're made with the toughest marine grade aluminum alloy available (5052-H36) and aircraft grade adhesive.

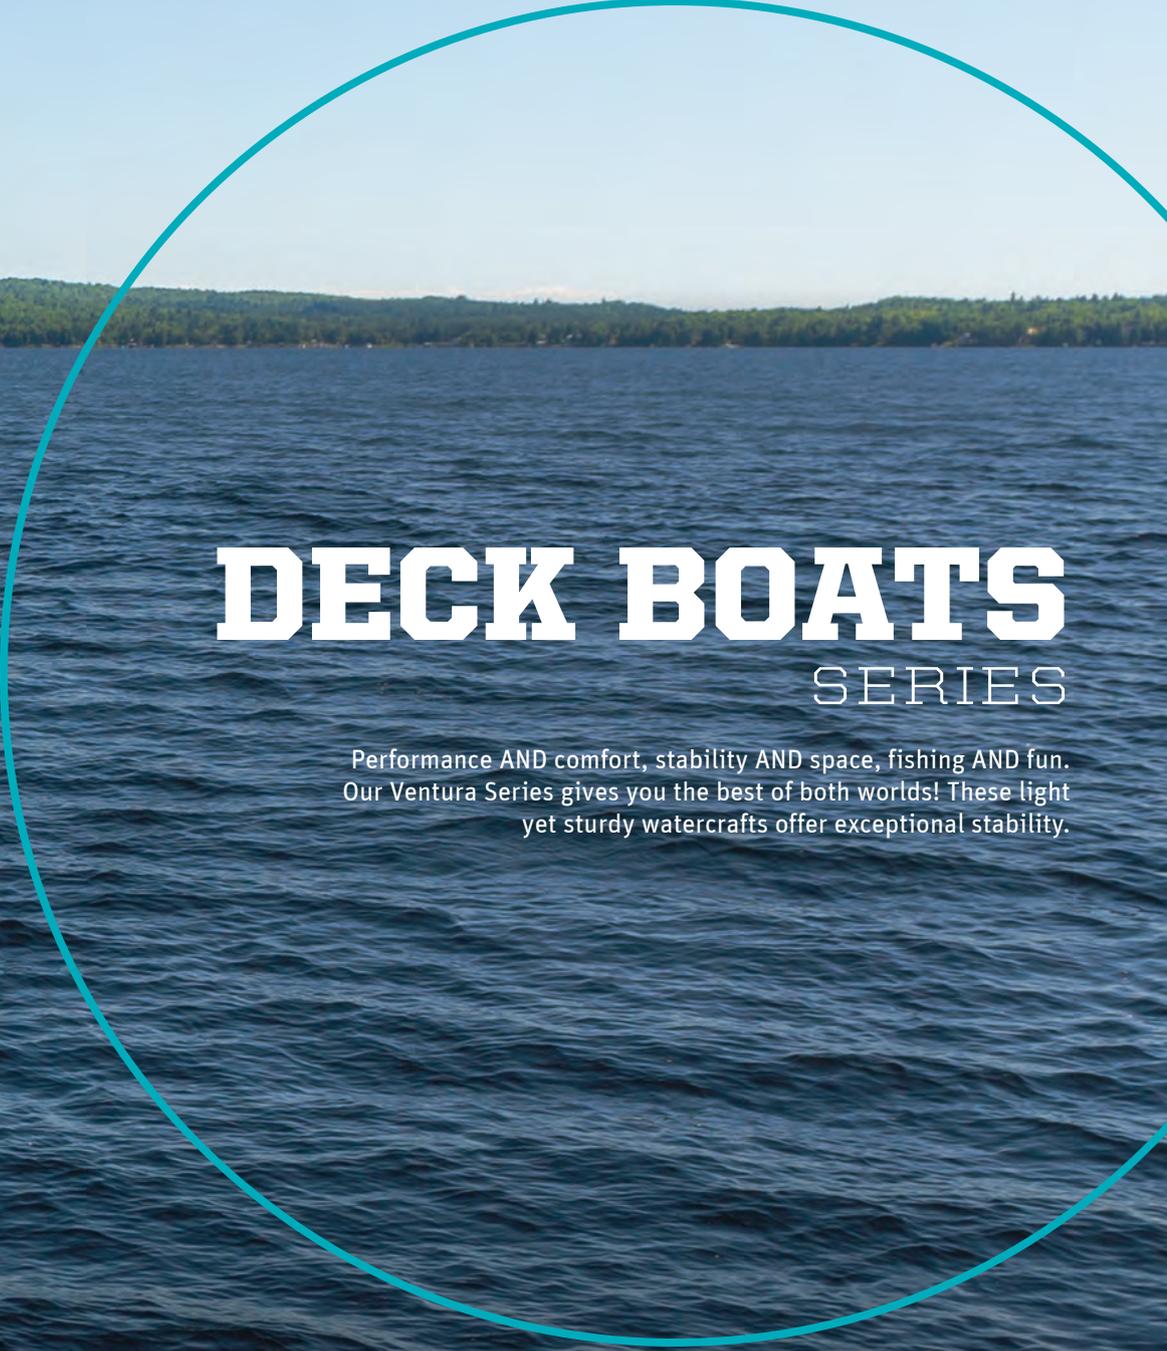

THE RESULT is a solid, high performing watercraft that is lightweight and astonishingly stable.

**VOGUE
 SERIES**

A real head-turner, the Vogue Series combines the latest tech, connectivity, luxury, and style to give you something to smile about every time you take it out.

**QUORUM
 SERIES**

With seven different models, the Quorum Series is sure to please. Check out its many features and elegant style, and don't miss the swim platform! The perfect combination of substance and versatility.

**SPORTFISHER LX
 SERIES**

Love to fish, but don't want to sacrifice comfort? The Sportfisher LX is the boat for you. Because even a seasoned angler can appreciate a little luxury. You'll be ready to fish or to kick back and relax in style.

**SPORTFISHER
 SERIES**

Get ready for a good time! Every detail has been taken care of with the Sportfisher. Space, furnishings, comfort, and utility—it has everything you need for a gorgeous day, whether you're fishing or not.

PONTOONS

SERIES

VECTRA SERIES

With space for up to twelve, your Vectra is perfect for water sports and warm afternoons spent swimming and catching some rays. And at a price like that, you can stop dreaming about an affordable pontoon—you've found it!

JAZZ SERIES

A world of possibilities at that price? With Princecraft® the answer is yes! You too can dominate the waters with the Jazz Series of comfortable pontoons offering storage space and all the features you need for a fun day out on the water.

BRIO^e SERIES

If you care about the environment and enjoy smaller bodies of water, the Brio^e is your kind of boat. This fully electric pontoon runs on the sun just like you do!

VOYAGEUR SERIES

Unparalleled power, impressive load capacity, plenty of room—no, we're not talking about a truck! The Voyageur pontoon lets you bring your gear, goods, or even your off-road vehicles from point A to point B in a jiffy.

POWER AND SPEED CHOOSE WHAT'S RIGHT FOR YOU

Princecraft® offers a number of Performance Configurations to ensure your pontoon boat is perfectly adapted to your needs.

Our advice: choose the one that will meet all your needs for years to come!

CLASSIC CONFIGURATION

These pontoon boats are equipped with a double pontoon, which provides stability, maneuverability, and a high degree of comfort for both driver and passengers. This configuration is perfect for outings with friends, fishing excursions, and long trips that do not require high speeds.

The Classic Configuration is offered by default on all models except Vogue 29 SX, Vogue 29 XT, Vogue 27 SX, Vogue 27 XT, Vogue 27, and Voyageur 27.

SPEED CONFIGURATION

Want to go faster, cover greater distances, or get from A to B more quickly?

Add lifting strakes to your 2-log pontoon boat. You'll increase your maximum speed by 25 to 30%.

Available on all models except:

- | | | |
|-------------|-------------------|-----------------|
| Vogue 29 SX | Vogue 27 | Jazz Series |
| Vogue 29 XT | Sportfisher 19-25 | Brio® Series |
| Vogue 27 SX | Vectra 19 | Voyageur Series |
| Vogue 27 XT | Vectra 17 | |

SPORT CONFIGURATION

Choose the perfect compromise between Speed and Performance Configurations: adding bow central half third log and lifting strakes to reach speeds while having an affordable configuration. This configuration allows a motor range from 90 up to 200 horsepower. Available on 21 thru 25 foot long pontoons (Vectra, Sportfisher, Sportfisher LX, Quorum, and Vogue Series).

Available on all models except:

- | | | |
|-------------|-------------------|-----------------|
| Vogue 29 SX | Vogue 27 | Jazz Series |
| Vogue 29 XT | Sportfisher 19-25 | Brio® Series |
| Vogue 27 SX | Vectra 19 | Voyageur Series |
| Vogue 27 XT | Vectra 17 | |

PERFORMANCE CONFIGURATION

The Performance Configuration adds a third pontoon, which further increases maneuverability, stability, and buoyancy.

This allows your pontoon boat to handle a more powerful motor (up to 400 HP) that will propel you through the water more quickly. Perfect for water sports fans!

Available on all models except:

Sportfisher Series Jazz Series Voyageur 21
 Vectra Series Brio® Series

More power, more speed:

The Performance Configuration is the best choice for thrill fans!

PONTOON SPECIFICATIONS

PERFORMANCE CONFIGURATION

Includes 3rd log, aluminum under-deck spray shield, lifting strakes, 185 L (49 U.S. gal.) gas tank, and an in-floor storage compartment.

The in-floor storage compartment is not available on the following models:

Sportfisher LX 23-4S and Voyageur Series

The Performance Configuration is offered by default on the following models:

Vogue 29 SX, Vogue 29 XT, Vogue 27 SX, Vogue 27 XT, Vogue 27, and Voyageur 27.

	Approximate Weight	Maximum HP Capacity*	Maximum Weight Capacity*	Maximum Weight Person Capacity*	Maximum Person Capacity*

* NMMA (USA)/Manufacturer's Recommendations

5 FEATURES OF THE PERFORMANCE CONFIGURATION

- 1. A THIRD FULL-SIZED TUBE LETS YOU INSTALL** a more powerful motor and improves stability, performance, and load capacity.
- 2. LIFTING STRAKES** reduce the surface of tubes in the water, improving performance and helping the pontoon plane at high speeds.
- 3. HYDRAULIC STEERING** improves maneuverability at high speeds.
- 4. REINFORCED PRESSURE POINTS** on stress zones (e.g., tube noses) absorb more impact and pounding from waves.
- 5. AN UNDER-DECK SPRAY SHIELD** prevents waves from hitting the cross channels for a smoother ride and better performance at high speed.

INSIST ON CUSTOMIZED CANVAS TOPS AND COVERS FOR YOUR PONTOON OR DECK BOAT.

- > Made exclusively with durable marine quality fabric
- > Superior resistance to wear and tear
- > Superior water repellence thanks to a transparent acrylic coating
- > Precision fitted, high quality windows, zippers, and fasteners
- > Custom-designed for a perfect fit in a snap
- > Stows easily

AS ALWAYS, PRINCECRAFT®'S STANDARD OF QUALITY ENSURES TOTAL SATISFACTION!

HALF CAMPER ENCLOSURE¹

- > Protects against the elements and can be used as a mooring cover
- > Provides easy access to mid-ship area

FULL CAMPER ENCLOSURE¹

- > Protects your interior from bad weather
- > Optional front, side, and aft "privacy" curtains

TRAILER COVER

- > Protects against branches, rocks, and other hazards while traveling

Warning
Refer to your Owner's Manual for very important information on the dangers of carbon monoxide and using canvas while boating.

QUICK-RELEASE BIMINI LATCHES²

- > Let you fold the top down like a convertible awning for traveling or getting under bridges

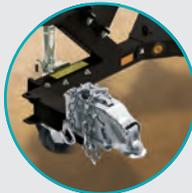

¹ Available with some models.
² Available with Vogue, Quorum, Sportfisher LX, and all deck boats.

YOUR CUSTOM-MADE, HEAVY DUTY PRINCECRAFT® TRAILER FOLLOWS YOU WHEREVER YOU GO TO MAKE YOUR LIFE EASIER!

FOR DECK BOATS

CUSTOMIZED TRAILER

- > Custom-made to fit your boat's hull
- > Composite fenders with built-in step pads
- > Large radial tires
- > Single or tandem axle, depending on boat size
- > Heavy duty winch
- > Load guides
- > Black or galvanized
- > Swing tongue

ALL PRINCECRAFT® TRAILERS ARE NOW EQUIPPED WITH THIS SYSTEM

This ingenious system combines the advantages of grease and oil to create an ultra high performance lubricant. At room temperature, its viscosity is similar to that of grease. But as the bearings heat up, the lubricant becomes more fluid coating the bearings better to more effectively reduce friction and dissipate the heat generated during towing.

Each bearing is encased in a completely sealed, airtight, leak-proof, pressurized chamber.

GALVANIZED, TANDEM-AXLE, SCISSOR-LIFT TRAILER

- > Convenient for shallow water
- > Engineered to lift pontoon out of the water or off the ground
- > Standard brakes

GALVANIZED, BUNK STYLE SINGLE-AXLE TRAILER

- > Available with Voyageur 21, Jazz 170 / 190 / 210-2S, Vectra 17 / 19 / 21 / 21 LT, and Sportfisher 19-2S / 21-2S / 21-4S models

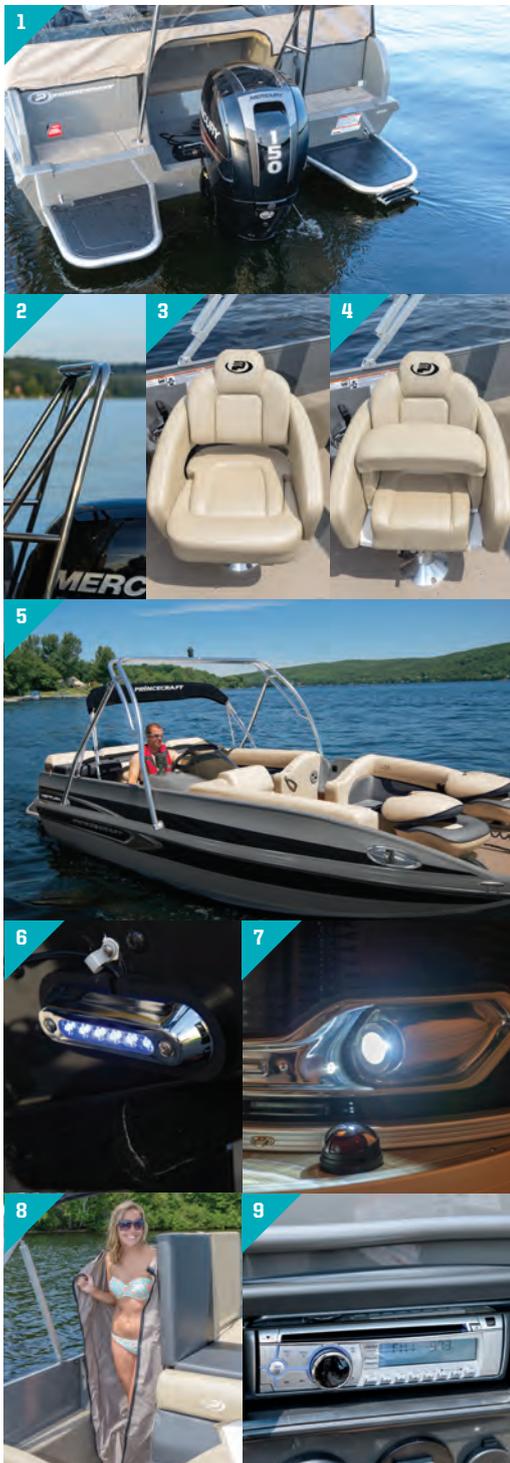

GALVANIZED, BUNK STYLE, SINGLE-, TANDEM-, OR TRIPLE-AXLE TRAILER

- > Designed for long distance travels
- > Superior load capacity
- > Standard brakes
- > Possibility of adding an optional conversion kit for 3-log pontoon models

PLEASE READ CAREFULLY: Dimensions, capacities, ratings, and additional specifications, plus complete warranty and service information, are available from your Princecraft® dealer. Product illustrations and data within this catalog are based upon information available at the time of publication. Not all accessories shown in pictures or described herein are standard equipment or even available as options. Specification measurements are approximations and subject to variance. Because Princecraft® is dedicated to constant product improvements, Princecraft® reserves the right to make changes without prior notice or obligation. Not all model year boats may contain all of the features or meet the specifications described herein. Ask your Princecraft® dealer for the most current product specifications prior to purchase. Some of the equipment shown separately or on products illustrated in this catalog may be optional at extra cost. Options and features are subject to change without notice. Princecraft® is a member in good standing of the National Marine Manufacturers Association (NMMA) USA and Canada. All boats comply with Canadian Coast Guard and U.S. Coast Guard regulations. All Princecraft® boats are in compliance with NMMA's Boat Certification Program. Attwood™ is a registered trademark of Attwood Corporation.
